Registration for the 1961-62 school year was held on August 31 and the first day of school began September 5, with an enrollment of 544.

The School Year Begins

Everyone was asked to fill out three cards of vital information.

Long lines of freshmen wait anxiously to begin their high school career.

Seniors waiting to register for one of the many courses: Advanced Literature, Advanced Writing, Sociology, American Government, Economics, Spanish III and IV, Math 314FG at NWCC, Office Practice, Advanced Science Problems.

The meal ticket salesman is busy along with the annual salesman. On the first days of school, there were 288 annuals and 331 cafeteria tickets sold in advance.

In the cafeteria, the juniors put up lovely decorations for the dance. Good music and a good time was enjoyed by all who attended.

The freshman class took first place in the annual homecoming parade. The giant mixer, complete with mixing bowl full of Mustang feet, was entitled "Whip 'Em" and won $25. The second place prize went to the senior's "Carousel to Victory." The junior class won third place and $10 with their giant clock and theme "Victory Time." Every organization entered a float in the parade.

To me, a teacher is a person with a touch of immortality—Gould.

To explain his definition he quoted from K. Gibran's The Prophet:

And I say that life is indeed darkness
save when there is urge,
And all urge is blind save when there
is knowledge,
And all knowledge is vain save when
there is work,
And all work is empty save when there
is love,
And when you work with love you bind
yourself to yourself, and to one
another, and to God."

Future Farmers Excel in Awards

The State FFA Convention was held September 25-27. Those boys from Powell going were: Bill Croft, Gary Gimmeson, Gary Ley, Bob Sanford, Larry Lundvall, Kenny Good, Larry Slater, Francis Carlson, and Dale Kasinger. The boys were accompanied by Fay Thompson and Connie Sutton. At left, the fat lamb awards are displayed by Bill Croft, Larry Slater, and Bob Schierkolk after the presentation by Bud Linton of Linton Supply. The public speaking award was given to Steve Blood by the Hunnicutt Jewelry. Steve also won the state speaking award and is going to the National Convention held in Kansas City. Mrs. Merle Gimmeson gave the Mother's response, and told of incidents at the 1940 FFA banquet. Earnest Good gave the Father's response. Duke Kimbrough and Earl Basham were installed honorary members of the Chapter because of their outstanding service in the past years.

Future Homemakers at Work

On October 14, the Powell FHA girls traveled to Deaver for the Northwest District workshop. The purpose of this workshop was to gain new ideas for the local chapter, to learn more about the scope of homemaking horizons, to gain leadership training and to help put Future Homemakers on the map as a growing organization.

The northwest district officers were in charge of the workshop. Sharon Camposan was elected as the district secretary. Later in the same month the FHA again became active during the process of initiating the new members. Following the opening ritual, President Patty McClaflin welcomed the initiates, members, parents, and guests. The candlelighting ceremony was then presented by the officers. Each initiate received one red rose at the end of the ceremony. In November the FHA sponsored an Italian Potluck Supper of spaghetti and meatballs. The supper was followed by entertainment from Judy Rockhold, Deanne Moore, and Patricia McClaflin. On March 24, eight girls and a sponsor traveled to Laramie for the State Future Homemakers of America Convention. The girls were: Carleen Miller, Kim Rogers, Dorthy and Margie Peterson, Janet Hopkins, Sharon Camposan, Patty McClaflin, Linda Fales, and Miss Haecker. Congratulations on your fine work.

The Junior Class under the direction of Gordon Wickstrom presented—

ANTIGONE

by Sophocles

This is a tragedy of terrible waste. Two goods, two rights conflict. Two versions of reality clash. The good of the individual, the family, and the gods prevails, but only after terrible carnage and waste. The play ANTIGONE can be taken as an illustration of the dilemma which faces the world today, that between East and West. It can be seen as a case in point for the philosophical, social, and political differences in America today. There is Creon's answer to the problem of personal and public affairs and there is Antigone's. It is clear where Sophocles stood those many centuries ago. And his vision remains for us as a guidepost into the future.

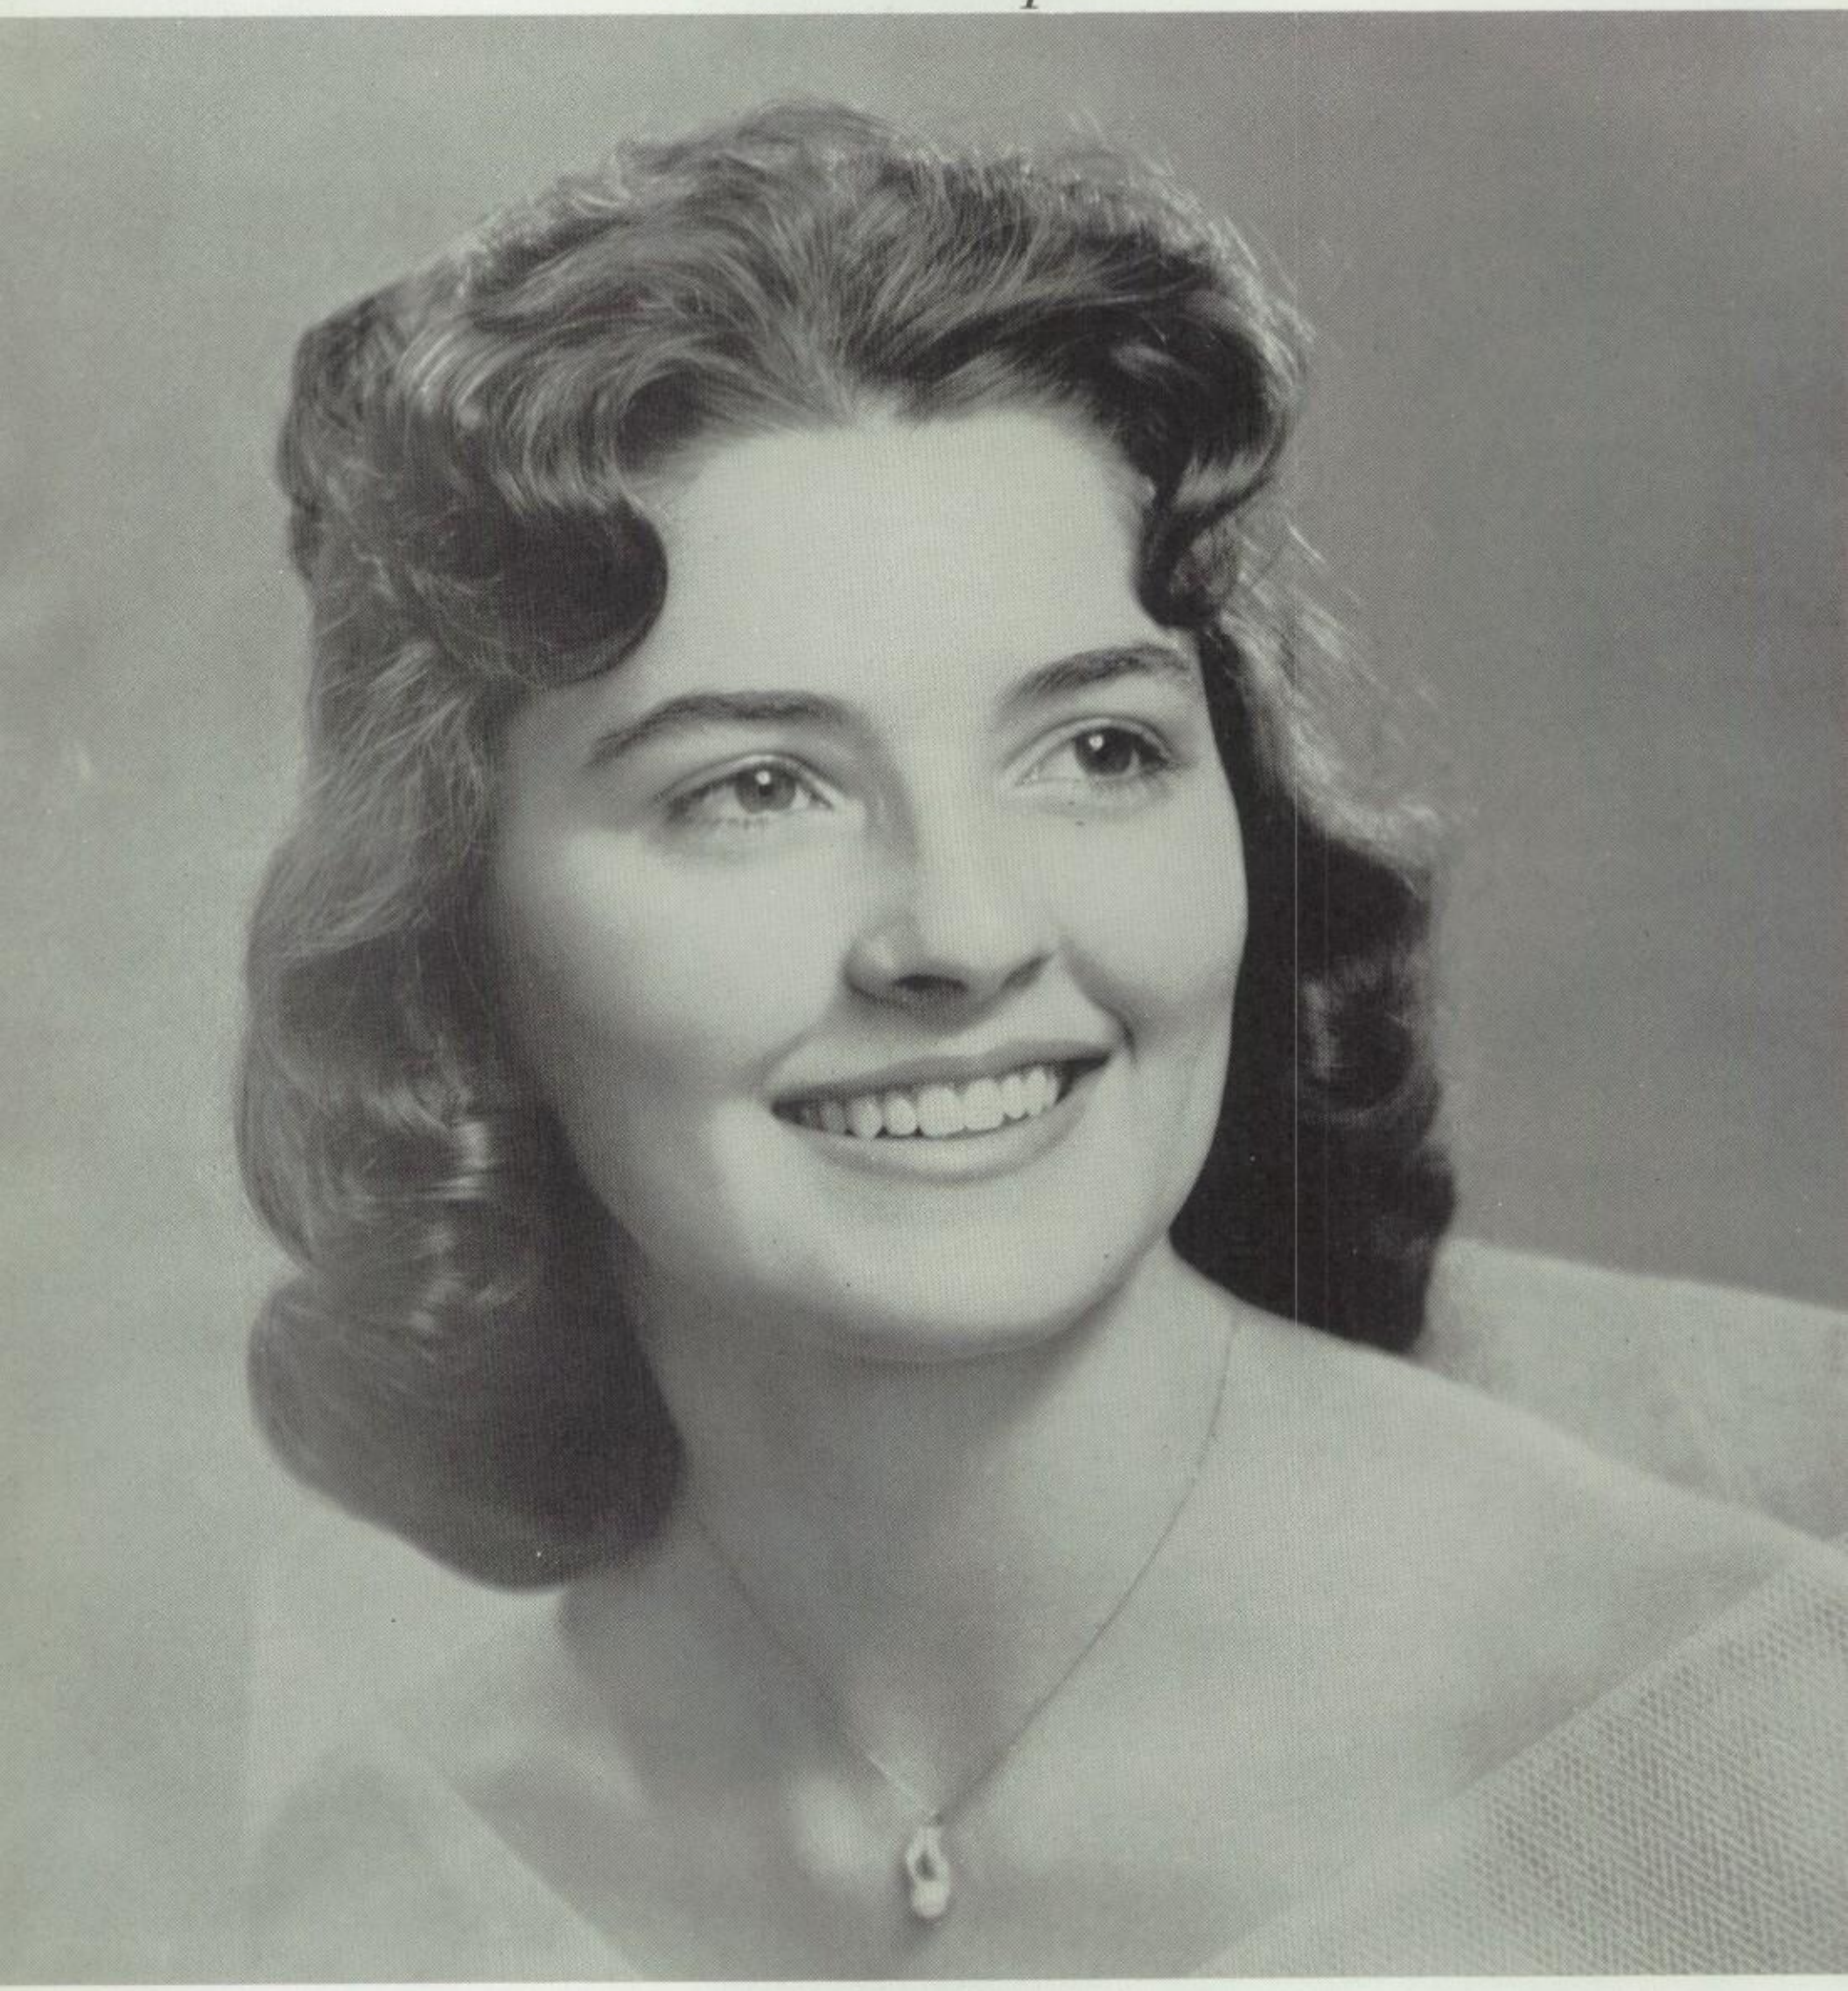
Look upon me friends, and pity me.—Judy Ray

Sheryl Bishopp, Student Body President, Honored in September

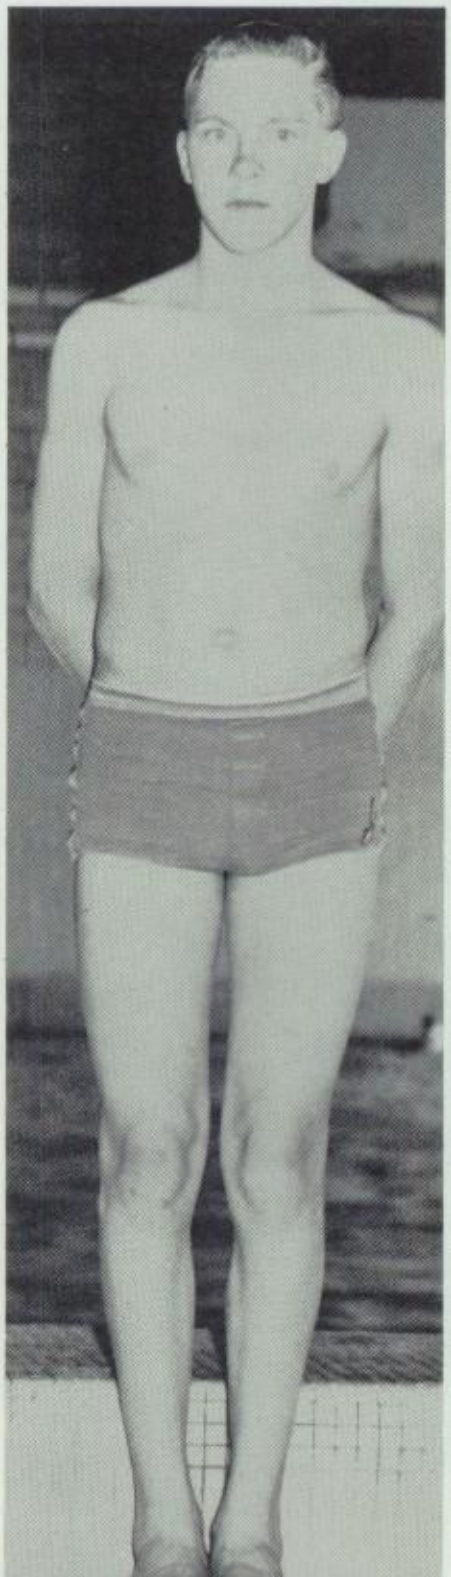


Being Student Body President was indeed an honor. I discovered that under the responsibilities of the position, I experienced a year of growing and maturing. My sincere gratitude for the guidance of the administration, the co-operation of the students, and the loyalty of the Council, all of which made this an exceptional year.

Sheryl Bishopp

Braa Brothers, both outstanding swimmers, February and April.

The National Honor Society selected Barry Braa as the Student of the Month for February. Barry swam the 400 yard freestyle in a record time of 4:55.8, bettering the old mark of 5:02.5 by almost seven seconds. He also took state honors in the 200 yard freestyle, and became the first swimmer from a Powell swimming team ever to win two individual state swim titles. As a Sophomore and a Junior, Barry has lettered and has belonged to the Lettermen's Club.



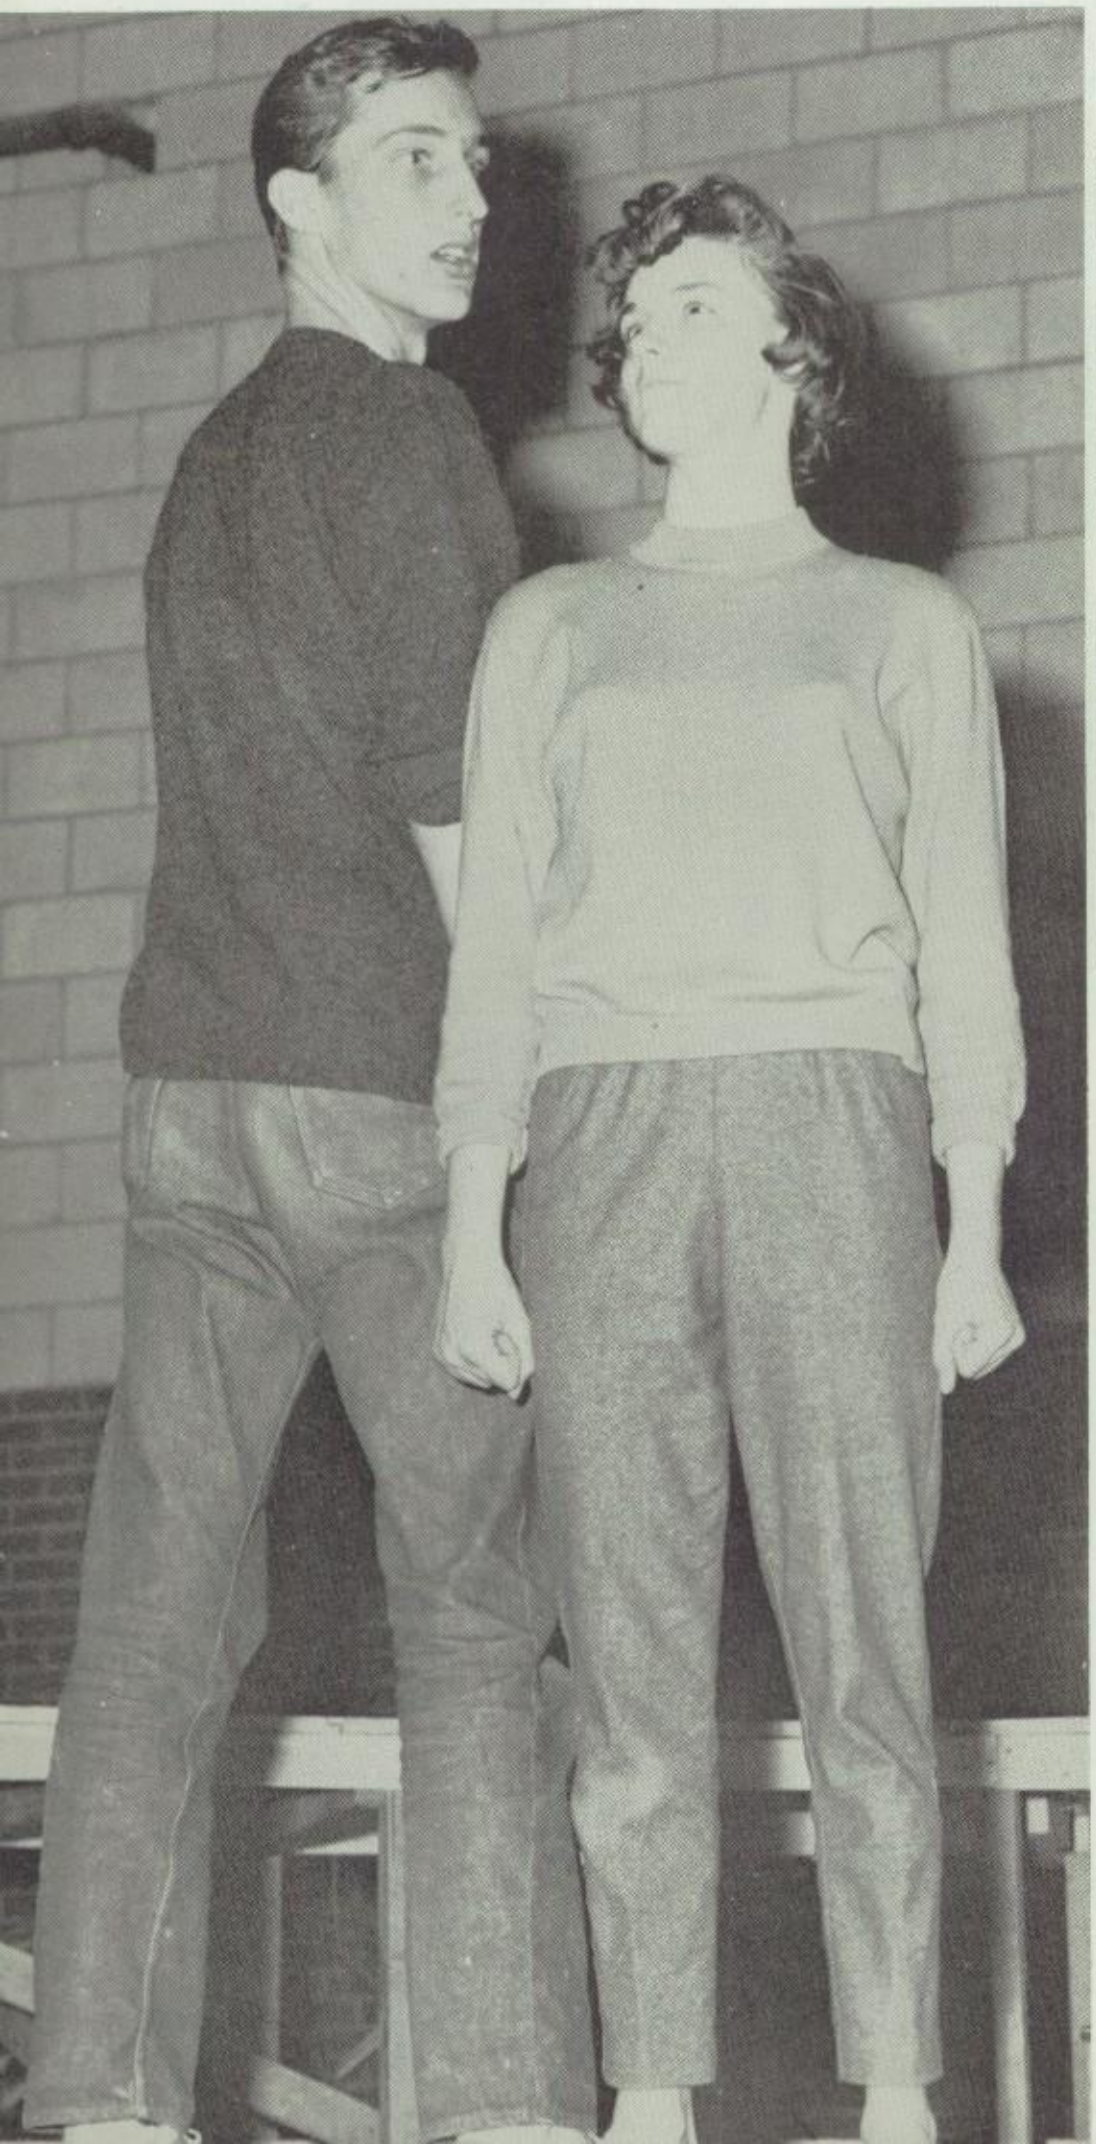
DENNIS BRAA—Student of the Month.

Denny was elected outstanding student for April. He was "The Ideal Boy Classmate" for the year 1961-1962. Included in his many activities were swimming, Lettermen's Club, Student Council, National Honor Society and drama and music award.

Judy Ray and Steve Blood spotlighted during the month of October for superior performances in Antigone.

Besides being very talented in dramatics, Judy is active in the Aquatic Club, works on the PowWow, and sings in the choir as a soprano soloist.

Steve Blood rates very high in school service. A member of the FFA, he has won many awards and the speech contest at the State FFA Convention. Some of Steve's other activities include Student Council, Art Guild, Boys' State, and orchestra. He was awarded the outstanding Art student for 1961-1962.



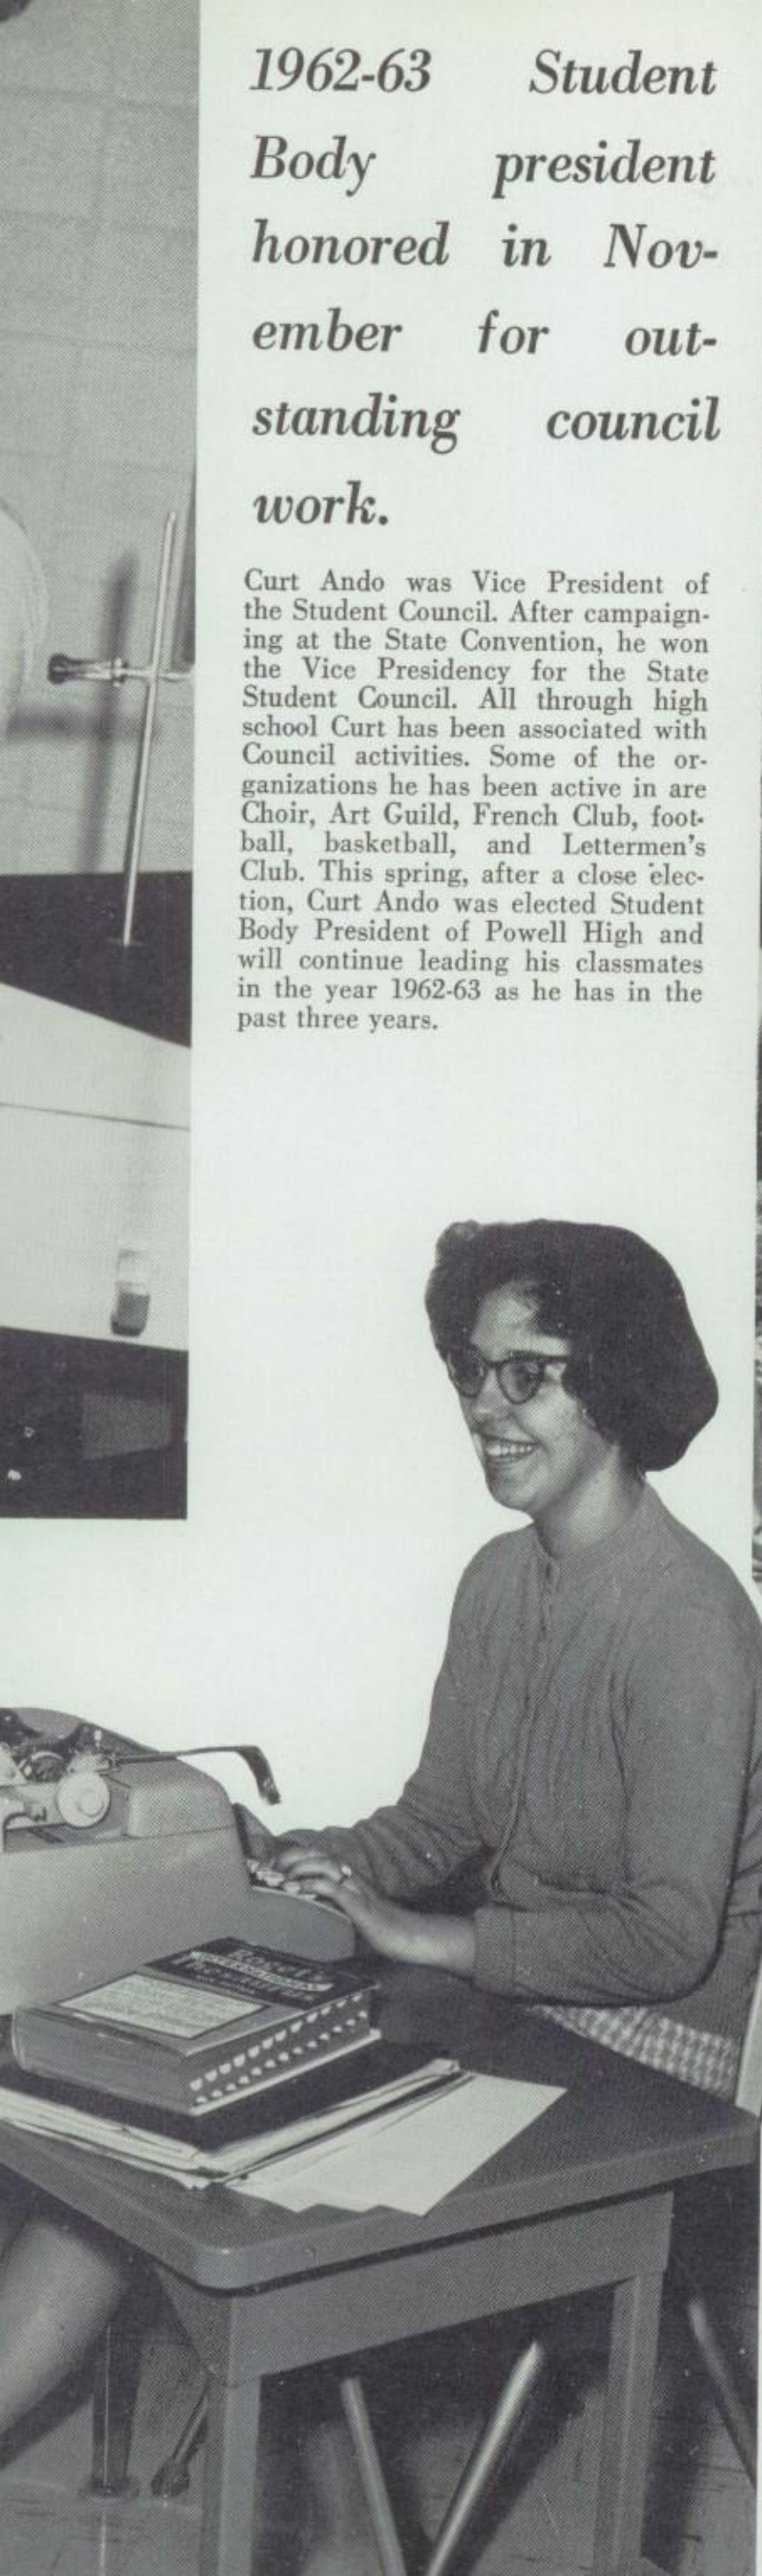
Powell's Betty Crocker Homemaker of Tomorrow, Ann Neeley, wins special recognition in January.

Ann Neeley has taken part in many activities during her high school years. Included in these are Future Teachers of America, Future Homemakers of America, Pep Club, PowWow Staff, Drama, and Speech.

Nominations for Student of the Month are turned into the National Honor Society by the Presidents of all organizations before the 10th of each month. The Society then convenes and elects for this honor a student or students who have been outstanding in service to the school in the past month. A picture and a story of the individual or individuals are posted on the main floor of the building.

1962-63 Student Body president honored in November for outstanding council work.

Curt Ando was Vice President of the Student Council. After campaigning at the State Convention, he won the Vice Presidency for the State Student Council. All through high school Curt has been associated with Council activities. Some of the organizations he has been active in are Choir, Art Guild, French Club, football, basketball, and Lettermen's Club. This spring, after a close election, Curt Ando was elected Student Body President of Powell High and will continue leading his classmates in the year 1962-63 as he has in the past three years.

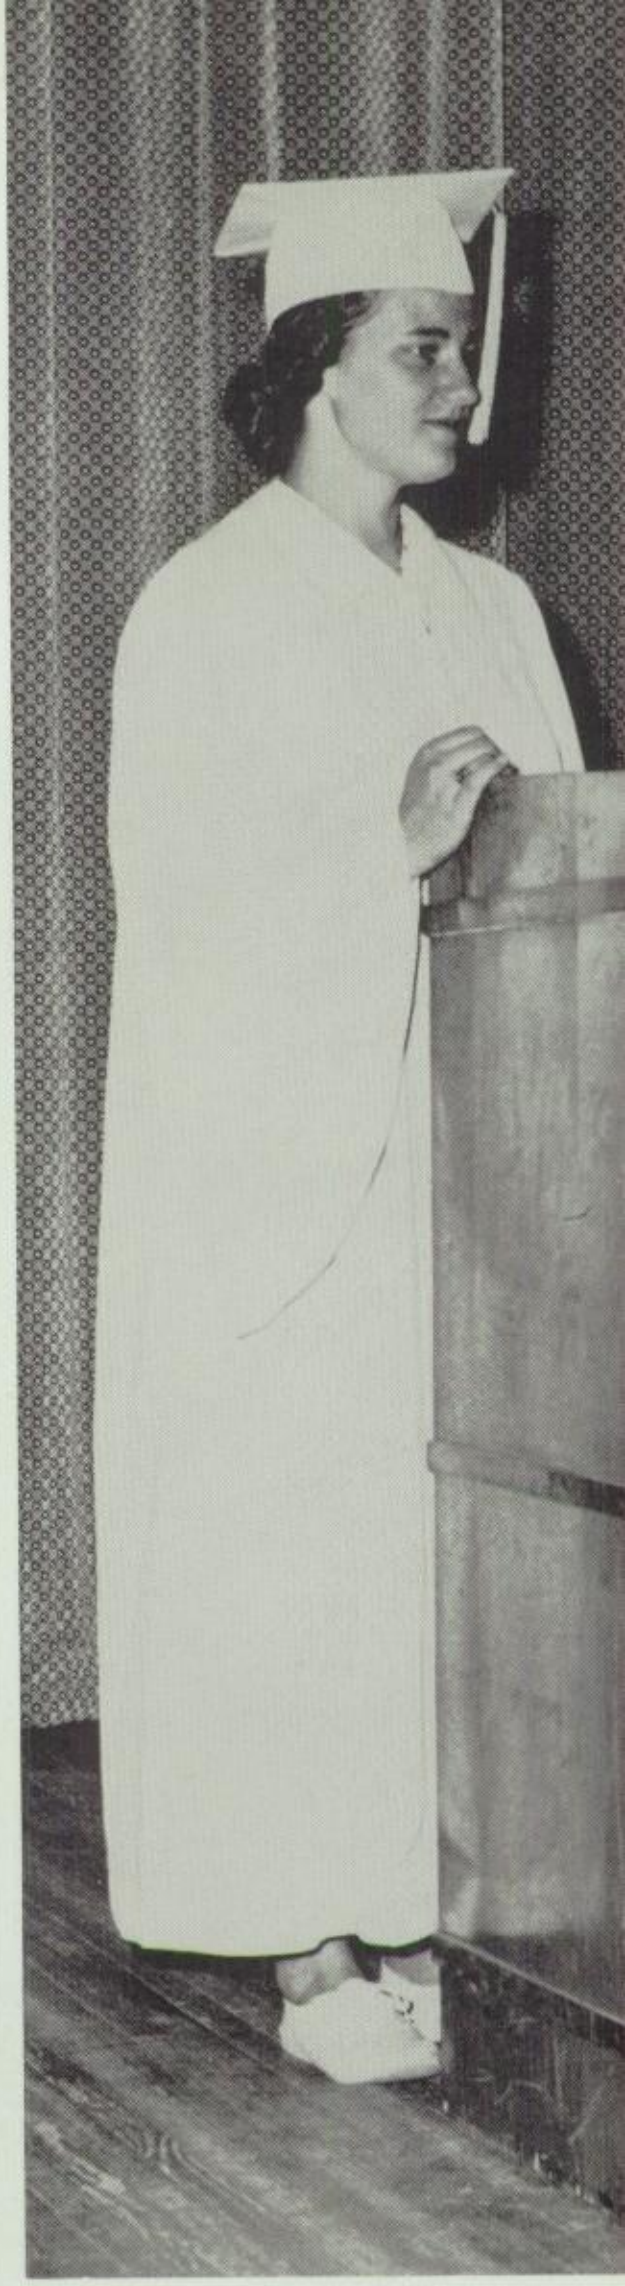


Jerry Takeuchi, Student of the Month for December.

The National Honor Society selected Jerry for this honor because of his outstanding performances in football. He was named All-American honorable mention in a football poll conducted by the Wigwam Wisemen of America. The 205-pound senior tackle was named to two all-state teams. Associated Press and the United Press International put him on their starting rosters. He was chosen to be on the All-Conference team by the Wyoming Activities Association and received the Lee Blocking Trophy.

Best friends and top scholars . . . selected Students of the Month for May.

To attain the two top places in Scholastic rank in a graduating class of 123 is indeed an honor. These girls rank high not only scholastically but in character, service, and leadership. Carol and Barbara both received honor scholarships to the University of Wyoming.



Carol Briggs concluded her salutatory speech by saying, "Tonight, we are closing the door to one portion of our lives, but there are many doors left to be opened, revealing successes we never thought would be possible."

Valedictorian, Barbara Rowe, finished her address with, "As we leave here tonight, no one knows for certain what is ahead. But whatever it may be, let us face it as adults with open minds."

March's Student of the Month, Bob Wilkins

The National Honor Society chose Bob as outstanding student for March for his exceptional project at the District Science Fair held in Powell at the Northwest Community College. He won the award for the best project in the fair, an optical maser by which he hoped to be able to transmit a narrow beam of light ray. In his maser, the light ray would be generated by exciting certain mixtures of gases with radio frequency waves. He also won first prize in the physics division with this project. He received a $150 scholarship to Northwest.

The largest freshman class ever to enter Powell High was the class of 1965 which consisted of 180 students. The class was unusual, not only in quantity but also in quality. They placed second in the Student Council Clean-Up week running close behind the seniors who placed first. The class showed its intellectual value when Freshman students entered the Science Fair. Athletic teams were increased in number because of many freshman boys coming out for sports.

The Winds Blow Winter

Pictured here are Mr. and Mrs. Moss and Sherry Jacobs, the orchestra President.

At the music banquet

Mr. Moss awarded honors to the graduating Seniors and the Freshman members of the orchestra. Also acknowledged were the several persons who received one ratings at the Music Festival.

Powell High School Orchestra performs beautifully throughout the year and earns a 'I' rating at District Music Festival.

The orchestra memebers and Mr. Moss, the director, worked diligently all year for their performance at District. They received a 'I' rating, jubilantly. Many people commented on the fine concerts presented by the group. The orchestra also played for the Commencement exercises.

The three winter teams jumped into action

The Panther cagers finished fourth

in the Big Horn Basin Conference, winning nine games and losing seven. Overall, the Panthers won twelve cage battles and lost eight.

At the District Tournament in Thermopolis, Powell was upset in their first two games by Thermop and Lander, and were the first team to be eliminated from the wild tourney.

Nevertheless, Panther center Don Adams was named to the All-District Tournament Team.

The grapplers from Powell High had an excellent season winning eleven matches and losing only two. At Rock Springs they found themselves in one of the toughest district tournaments Wyoming has yet witnessed, but qualified seven men to send to the state meet at Laramie.

The state match was even tougher, and when it was over Powell had come out in fifth place, only three points behind the second place team, Cheyenne Central.

On that fateful February day Powell swimmers were getting their best times and scoring high. They had come to Cheyenne to win, and win they did. In fact, they were so happy that the free style relay team, who had just come in first and set a new record, showed their joy by jumping into the pool. This disqualified them and gave the meet to Rock Springs by a narrow two point margin.

Sophomores Surge Forward

Outstanding in activities, sports and programs, the Sophomore Class have done a lot to make our school well known.

Bill Hart received an award for the Outstanding Wrestler in the B-Squad Tournament held here in Powell.

Mike Johnson received a first here at Powell in the Science Fair and went on to Laramie and then to Boulder, Colorado, to receive first there.

Judy Ray with her outstanding performance won recognition for her leading part in the Junior Class Play, "Antigone."

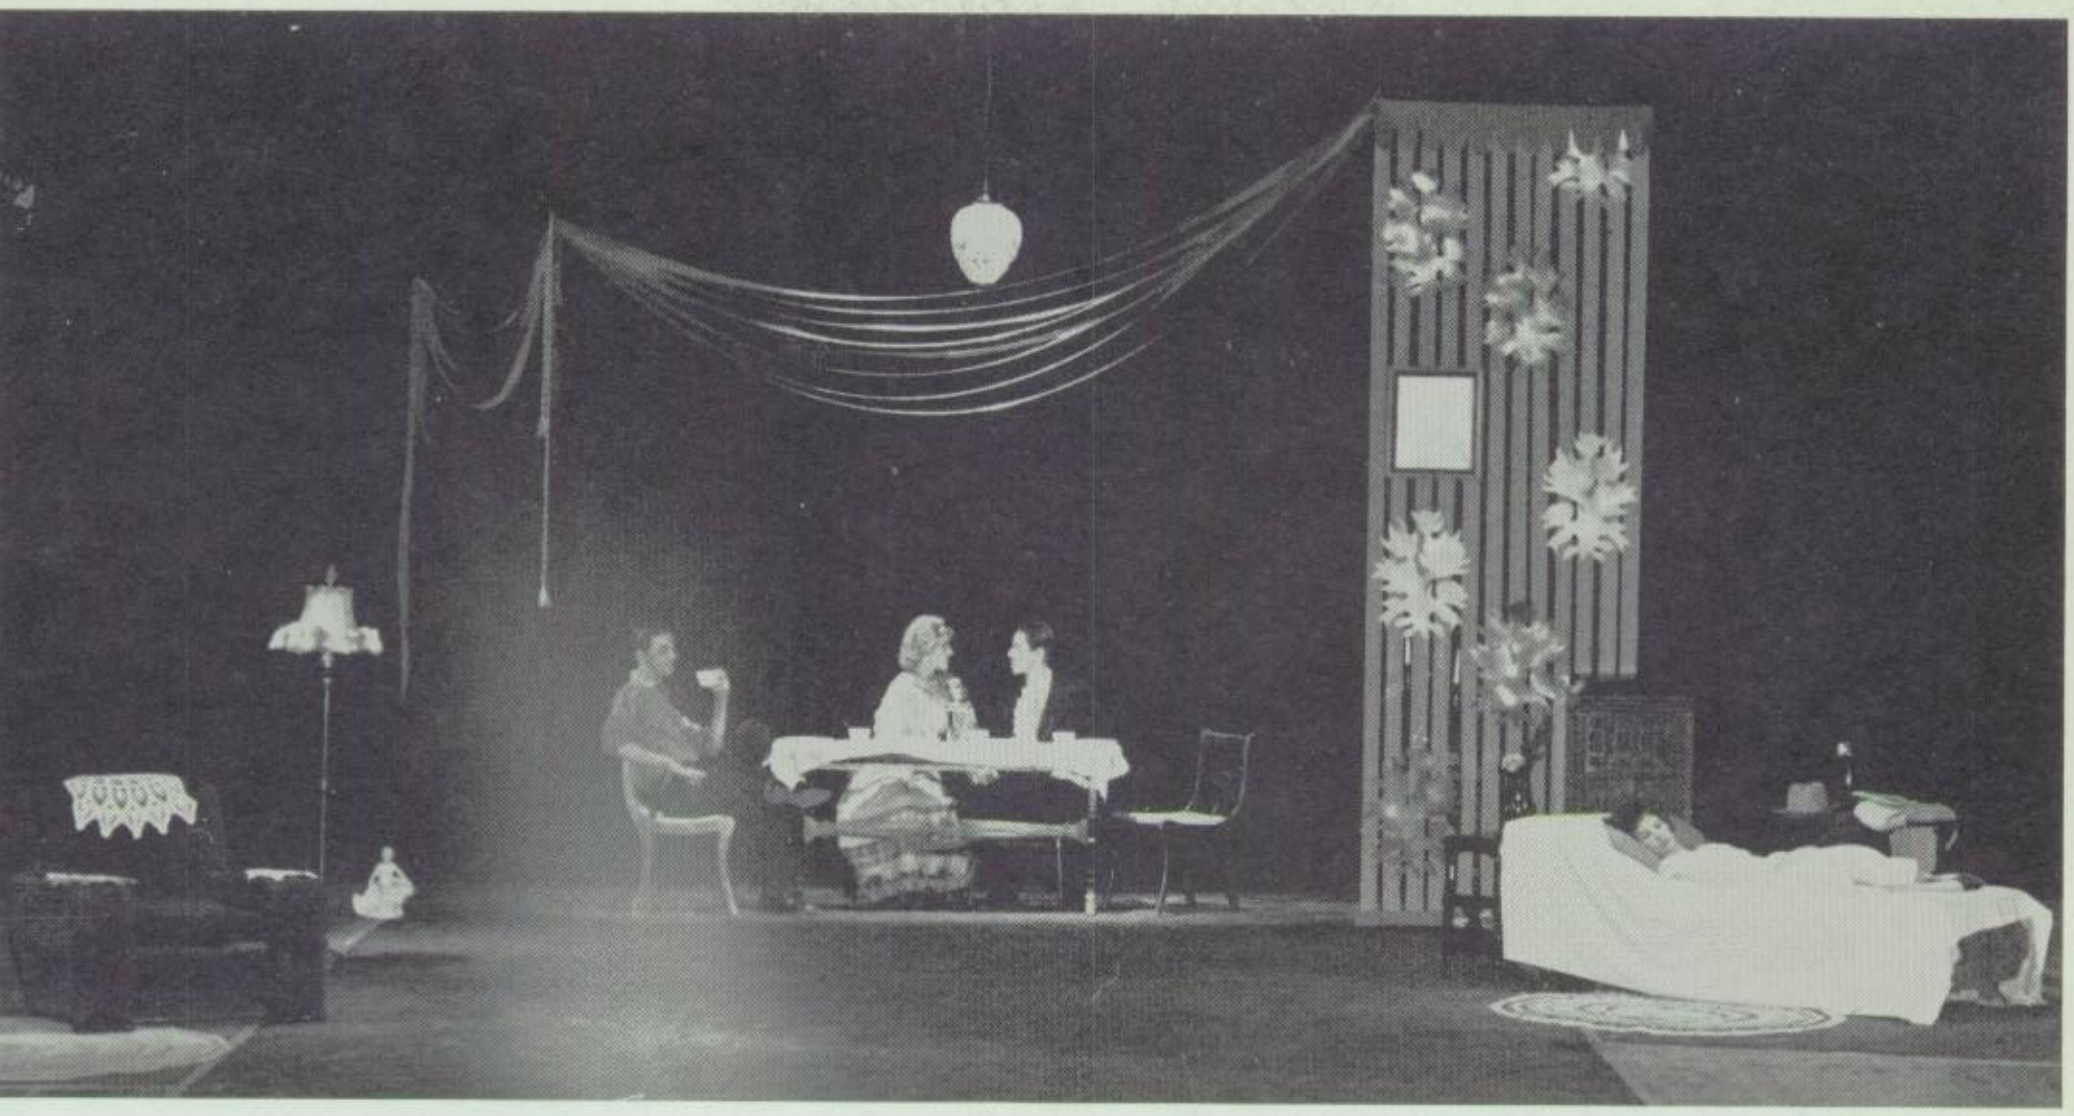
The Senior Class presented "The Glass Menagerie" by Tennessee Williams. The play was a memory play and was dimly lighted, sentimental, and not realistic.

"You know how Laura is—So quiet but—still water runs deep."—Linda Pendley, Tom Wren.



"You know, Mr. O'Connor, I haven't had such a pleasant evening in a very long time." Tom Wren, Linda Pendly, Larry Hart, Eddy Grosulak.

In this particular play the Lighting Technicians and Sound Technicians played a very important role in the total effect of the production. Light was a major factor in creating the mood, and the sound mixed perfectly with the visual content of the show.

Top Drama Awards, presented by Mr. Wickstrom at the Awards Assembly, went to: Seniors contributing most—Acting—Linda Pendley and Larry Hart. Seniors contributing most—Technical—Ken Nelson and Dennis Braa.

Miss Carvalho was enraptured while she listened to the A Cappella Choir. We in turn enjoyed her song "Jambo" which means "Hello" in Swahili.

Exchange teacher visits from Zanzibar

In English class, Miss Allie spoke of the industries of her country. Few students realized that Zanzibar was the major country from which cloves are exported.

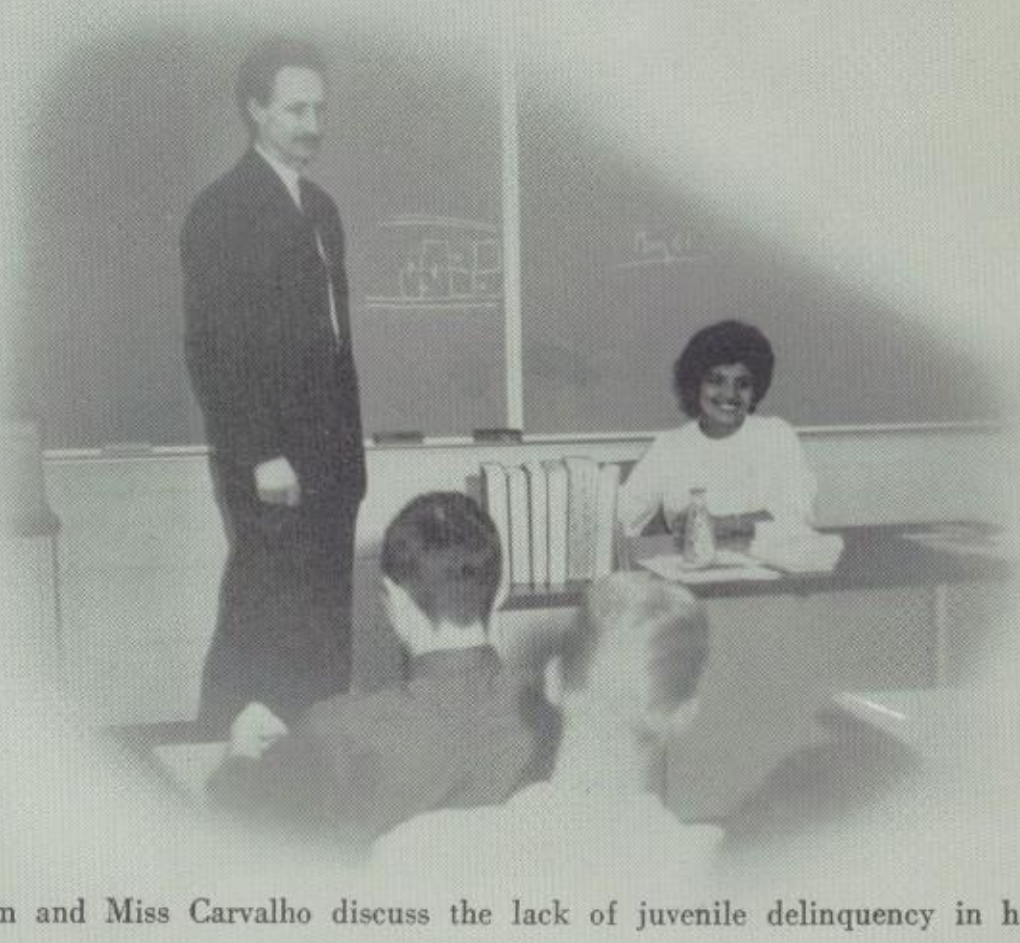
After visiting a biology class and watching a film, she told the future scientists about the satellite tracking station in Zanzibar.

"Jambo"

Miss Allie arrived in Powell for a six weeks' stay to visit the Powell school system. During this period she lived with Dr. and Mrs. Balkins. She presented an assembly for the entire student body and told us of the ways of life in her country.

She saw the efficient equipment we have in our school and told of the school days in her country. There is no vocational education in their schools.

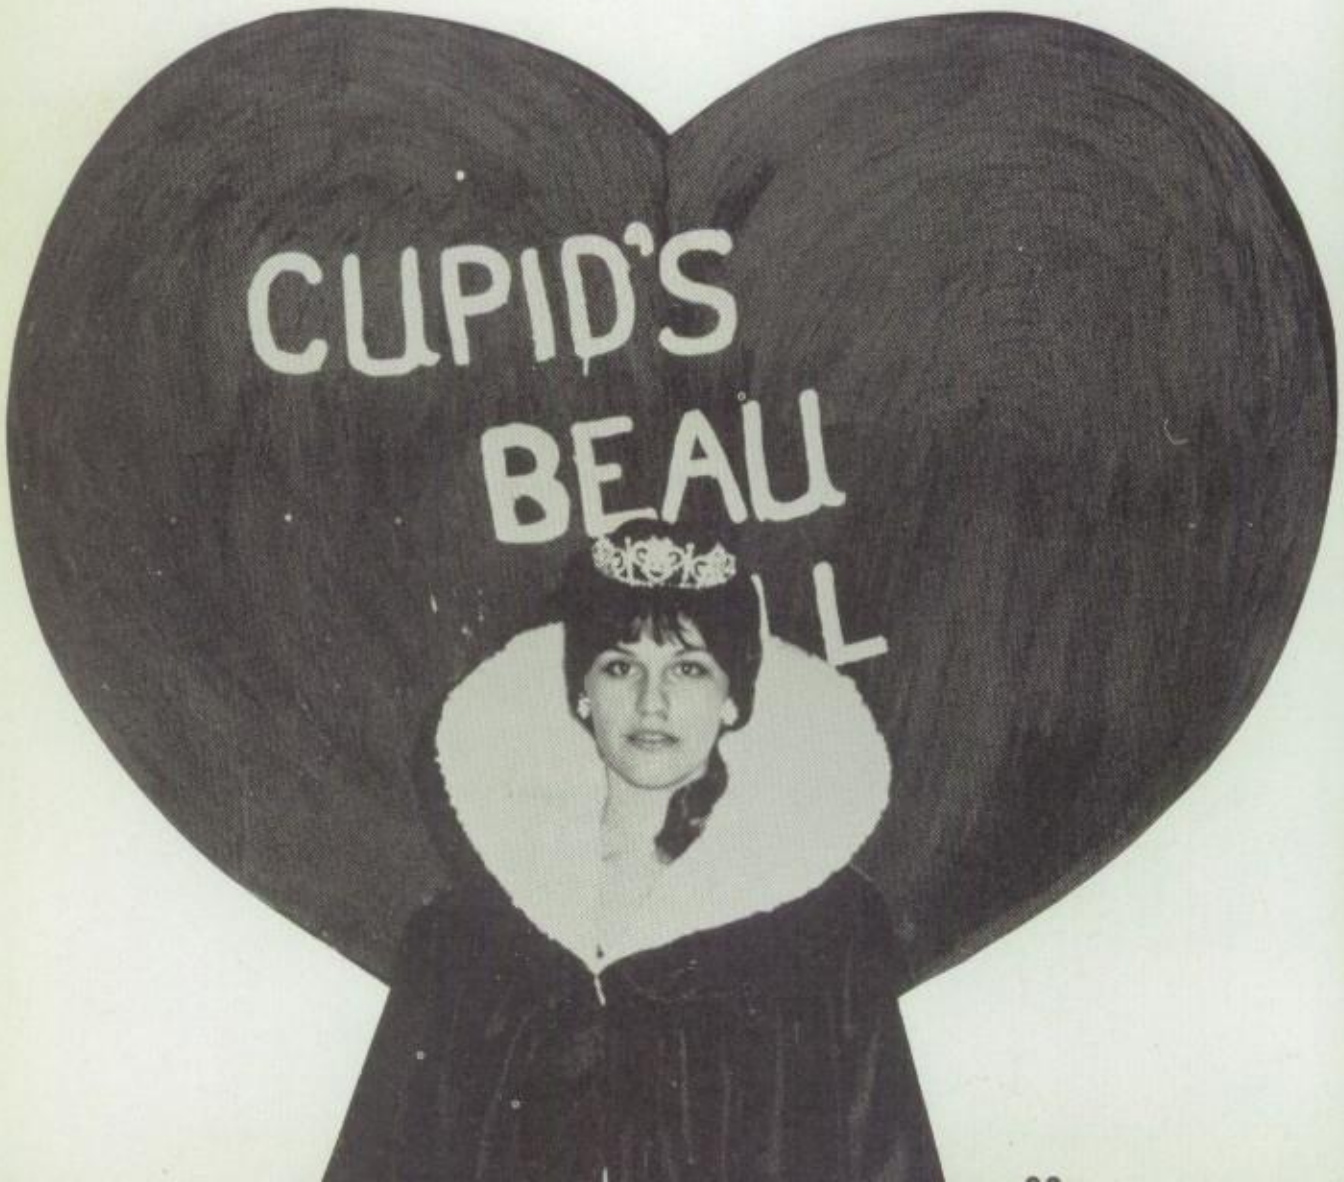
MISS ALZIRA CARVALHO



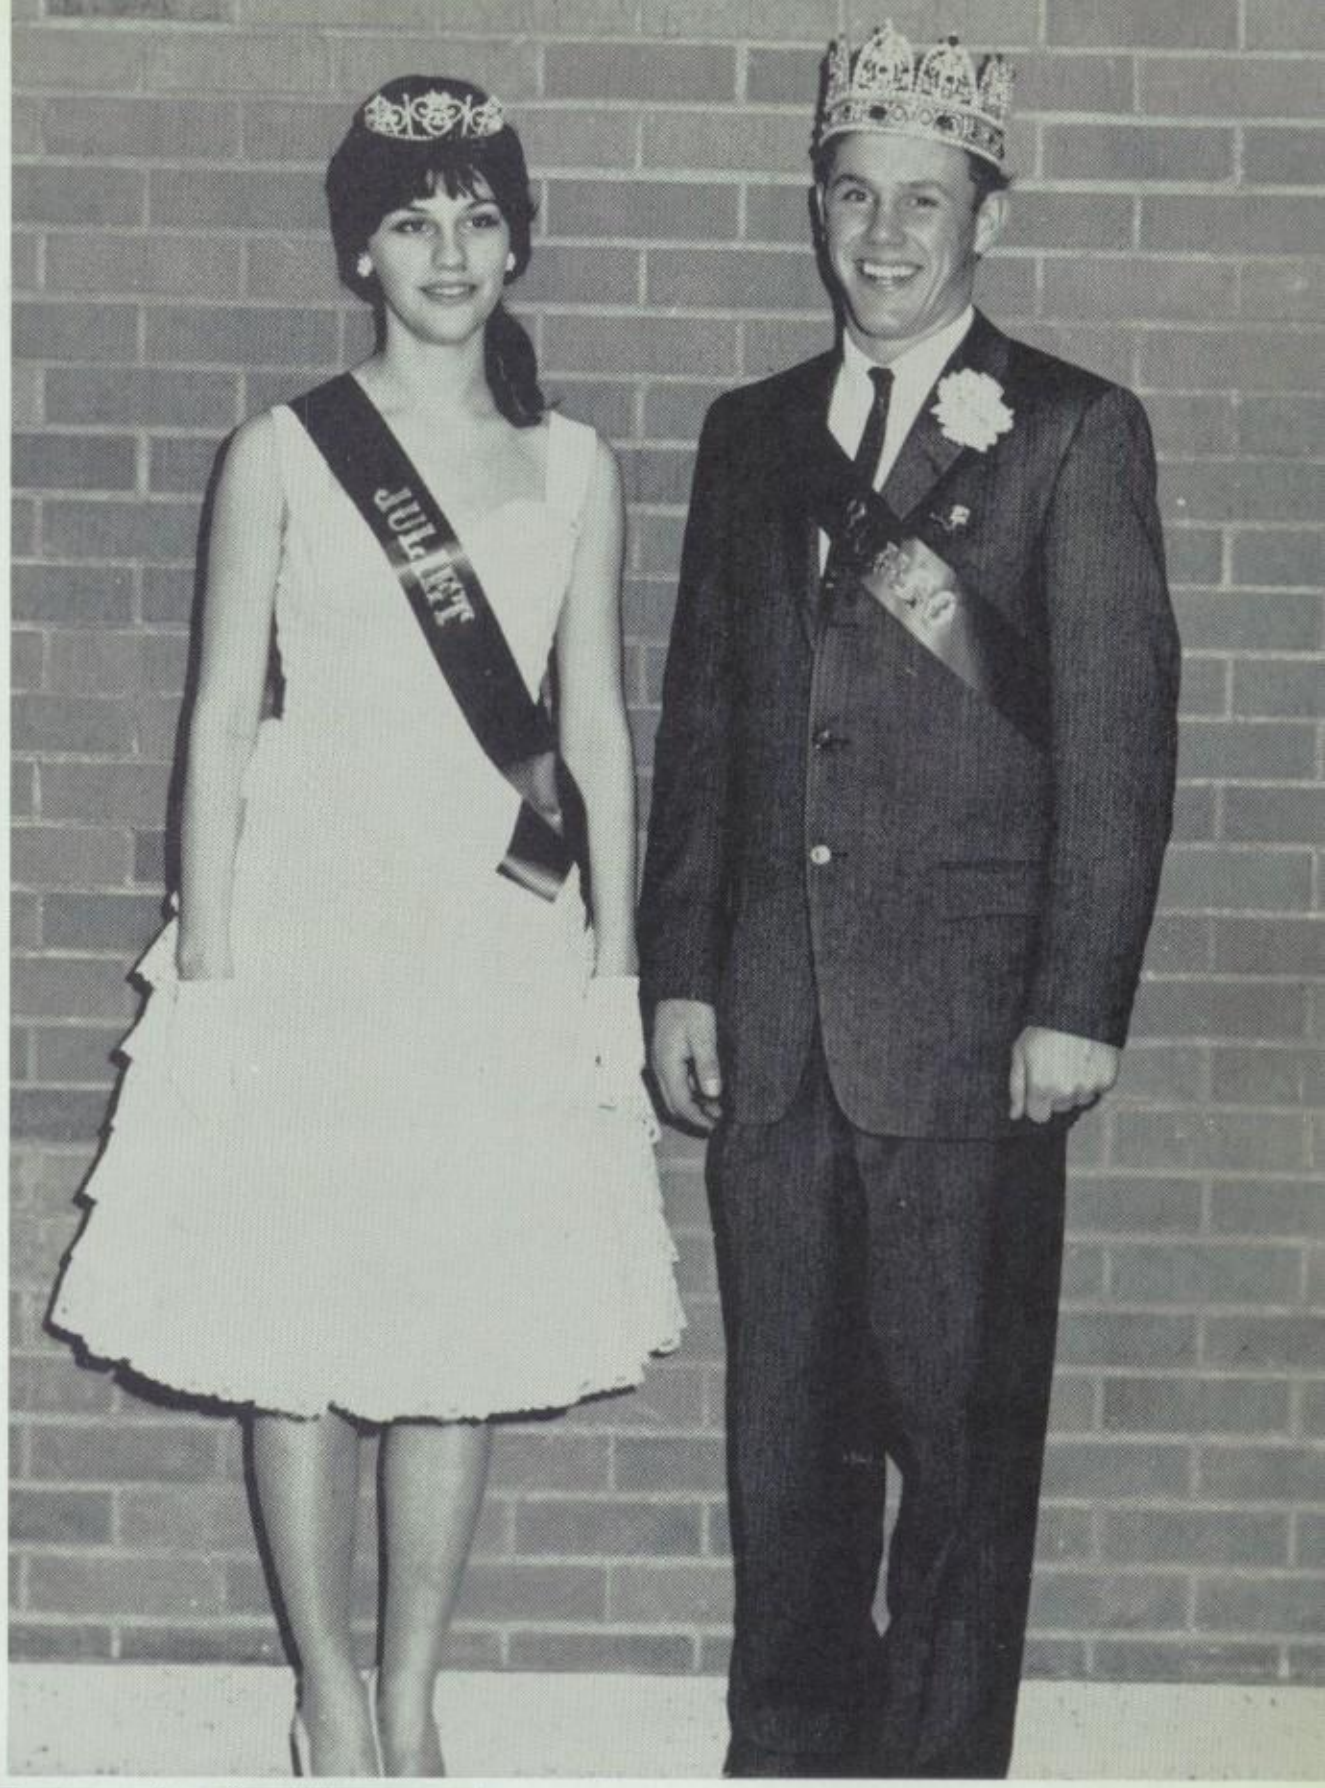
Mr. Wickstrom and Miss Carvalho discuss the lack of juvenile delinquency in her country.

Brenda Brunner and Orin Otto were crowned Romeo and Juliet and their attendants were Mel Cozzens, Glenda Lancaster, Kathy Jones, and Denny Braa. The royalty were chosen by the student body. The queen was presented with a silver heart on a chain with the engraving, "Juliet of '62," and the king was presented with a tie clasp engraved, "Romeo of '62."

In the cookie room, red frosted cookies were served. The cookies were arranged in a heart, to further



arry out the theme and spirit of
he dance.



Big silver hearts,

red and white crepe paper streamers, and cupids and hearts painted on the windows, carried out the theme of the Cupid's Beau Ball held February 10, 1962, from 9:30 to 12:30 p.m. at the high school cafeteria.

The music was furnished by a stereo set donated by Larry Hart. The dance was sponsored by the Quill and Scroll, Pow-Wow and the Annual Staffs.

A large enthusiastic crowd attended the dance and by the looks on the faces, enjoyed it very much.

Looking for entertainment for your banquet, assembly, or dance? Simply ask Mr. Pihlaja if he could arrange the Pop Group or certain people from the choir to sing for them.

It seems as though everywhere one might go for entertainment, the choir would be on the spot to provide the best music possible.

Not only did the choir do a magnificent job of singing at numerous dances and social functions, but also at all three of their concerts.

Juniors, Next Year's Leaders

The Junior year is the busiest year for all high school students. This is the first year that students are allowed to go out for a position of President or Vice President of any clubs. You must be a Junior to get into such organizations as Honor Society, Quill and Scroll, Pop Group and FTA. It is also the year that Boy and Girl Staters are chosen to represent our school at the state convention.

Such students as Lynette Reichert, Gail Johnson and Curt Ando are a great boost to our class status. Lynette Reichert is a member of Honor Society, FTA and Spanish Club and was chosen as Secretary of Student Council, as Treasurer of the State FTA and is a Girls' Stater. Gail Johnson is an active participant in any science activity, belongs to Pep Club, and Honor Society and is also representing our school at Girls' State. Curt Ando was voted our 1962-63 Student Body President during spring elections this year and he is going to National Student Council Convention the early part of the summer.

The one act play by Arrabal (his only name) was presented by the Powell High School Drama Dept. at Powell, Lander, and Laramie. The productions at Powell were in preparation to the District Speech Festival and the State Speech Festival. In Lander during District Speech Festival the production and the entire cast received a 1+ and in Laramie at State Speech Festival a 1.

Picnic is a savage play, savage in its demonstration of what the author feels to be the encroaching atrophy of traditional, intellectual, and moral values. Amid this intellectual collapse he presents Reality as an irrational force destructive of man and his efforts to control Reality. The irony lies in the fact that man himself is an agency of Reality, and his own destruction.

"Do I have to tie him up," said Tom Wren as Larry Hart held the rope waiting for him to tie him.

Chain of Command . . .

from the Council to the students

Sheryl, our candidate "Fish for Bish," is really great, and your support she'd appreciate. So when you vote don't hesitate 'cause as our leader we want her to be.

Student Body President, Sheryl Bishopp, presides over a regular council meeting while Joyce Haberman, Secretary, records the minutes. The other officers are Donna Moore, Treasurer, and Curt Ando, Vice President.

Those persons who made up the governing body of Powell High were Colleen Barber, Steve Blood, Dennis Braa, Brenda Brunner, Lee Catteral, Don Cozzens, Larry Earhart, Wayne Fagerburg, Pat Graham, Janis Green, Jerry Harrington, Sherry Jacobs, Jenny Litton, Patty McClaflin, Diane Moore, Paulette Pirrie, Ron Ries, Barbara Rowe, Dave Scriven, Sheryl Waggoner, Barbara Winscott, Darvin Dietz, Sally Wilkins, Sharon Shumway.

Here is the Student Council in action.

Student Council Rates High in Achievement.

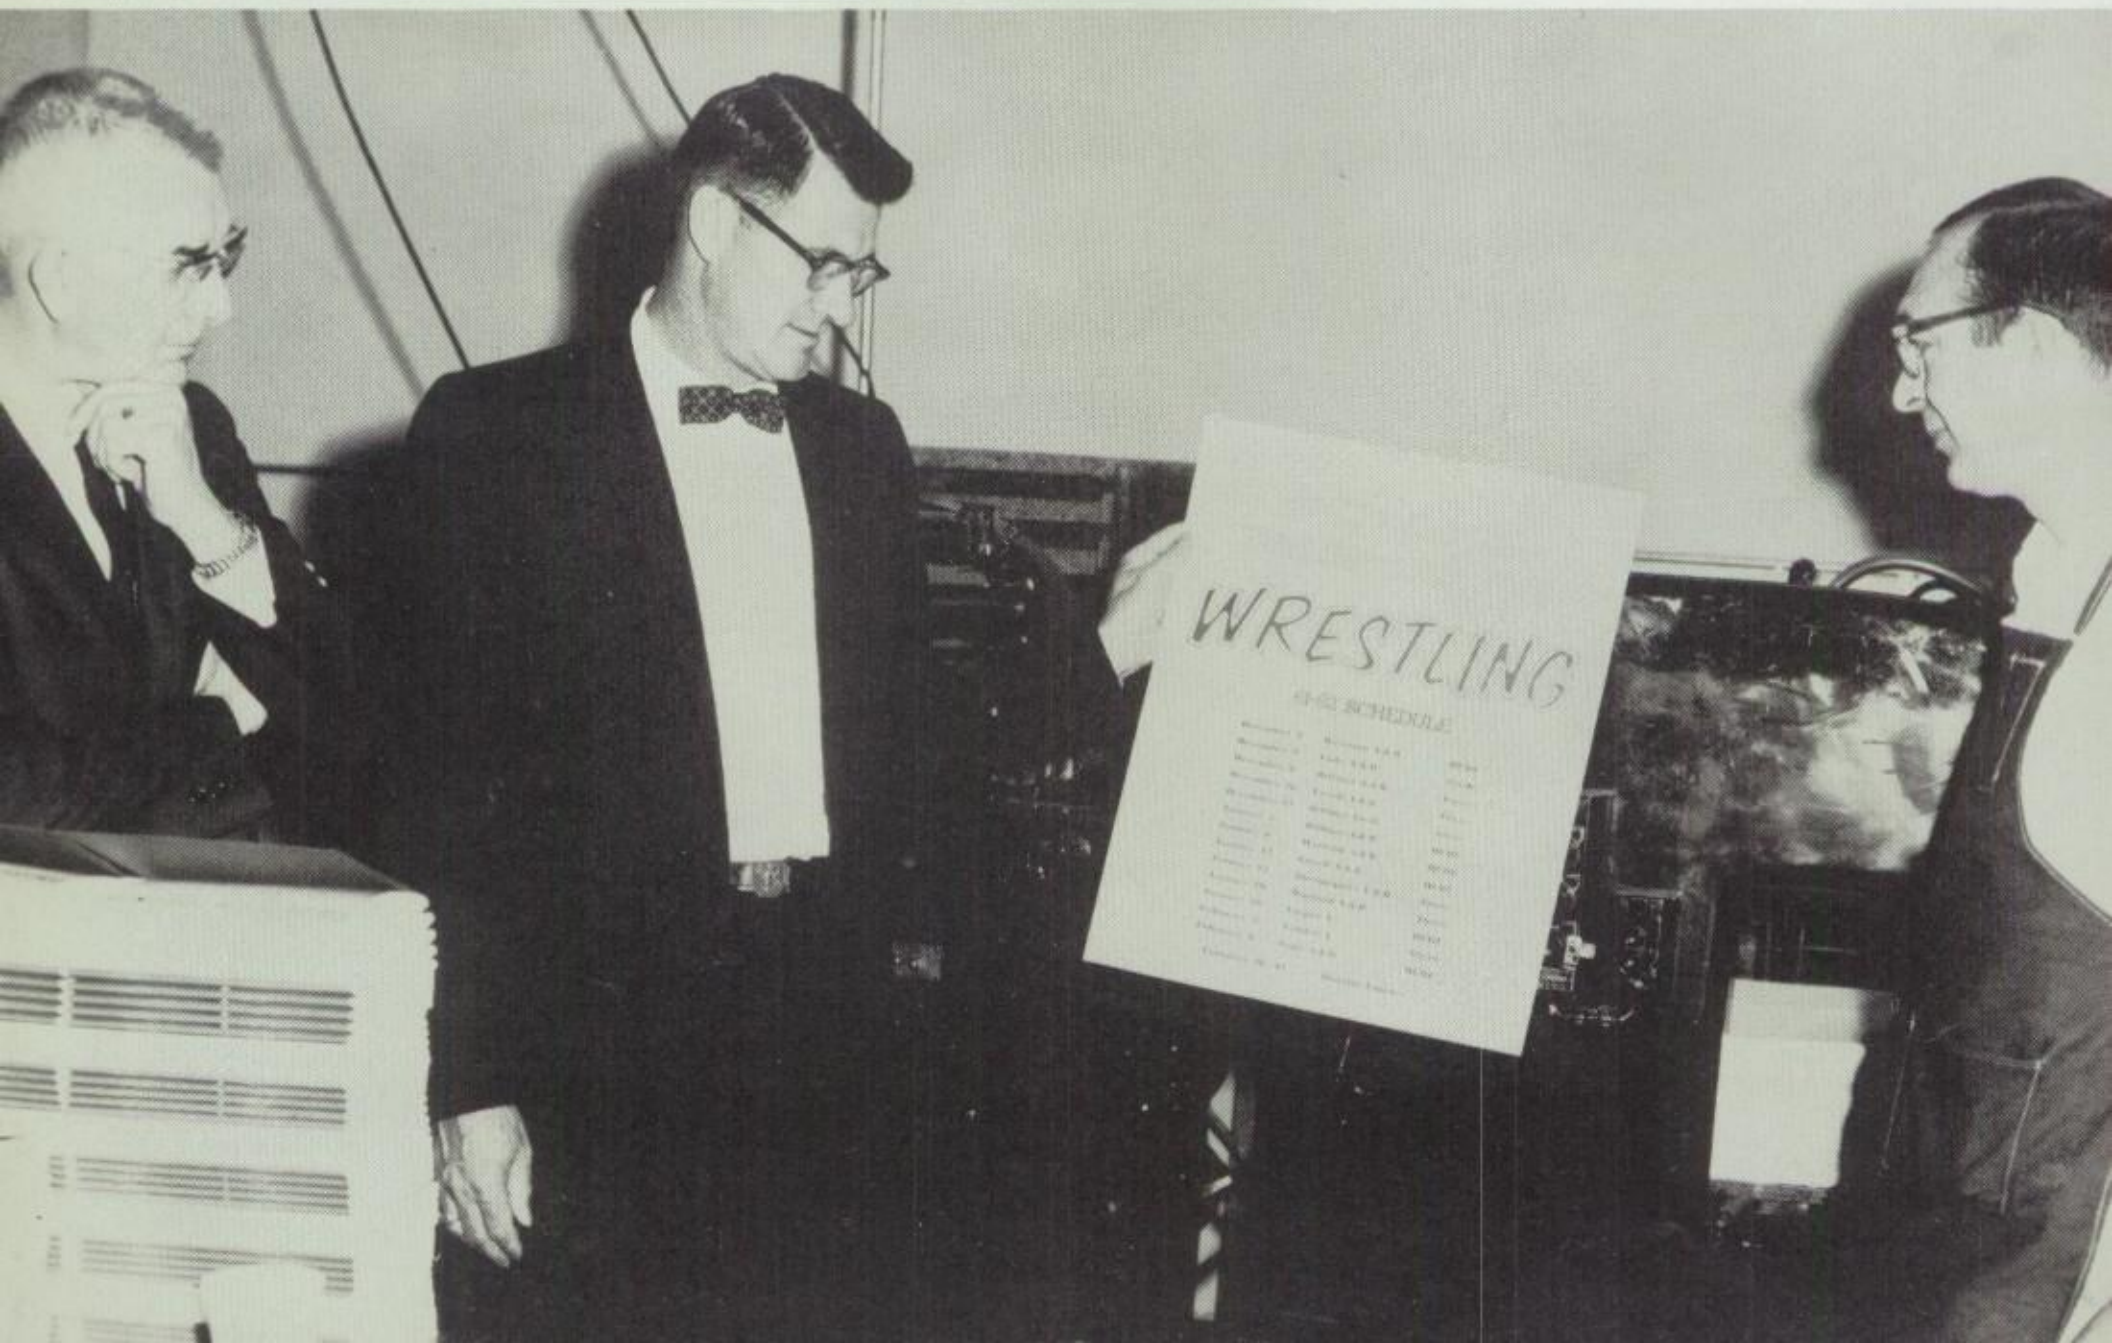
The fact that the Council was a superior one was clearly demonstrated when Curt Ando, the Vice President of the PHS Council, was elected to the State Vice Presidency in November. Those attending this State Convention acquired many new ideas and came home with plans for improvements. Early in the spring the Council sponsored a "First Class PHS" campaign which included a spring clean-up week. The trophy to the best all-around class went to the Seniors who collected the most garbage. Other projects were revising the constitution, sponsoring spring elections for Student Body President, and initiating the farewell assembly for Mr. Shanor.

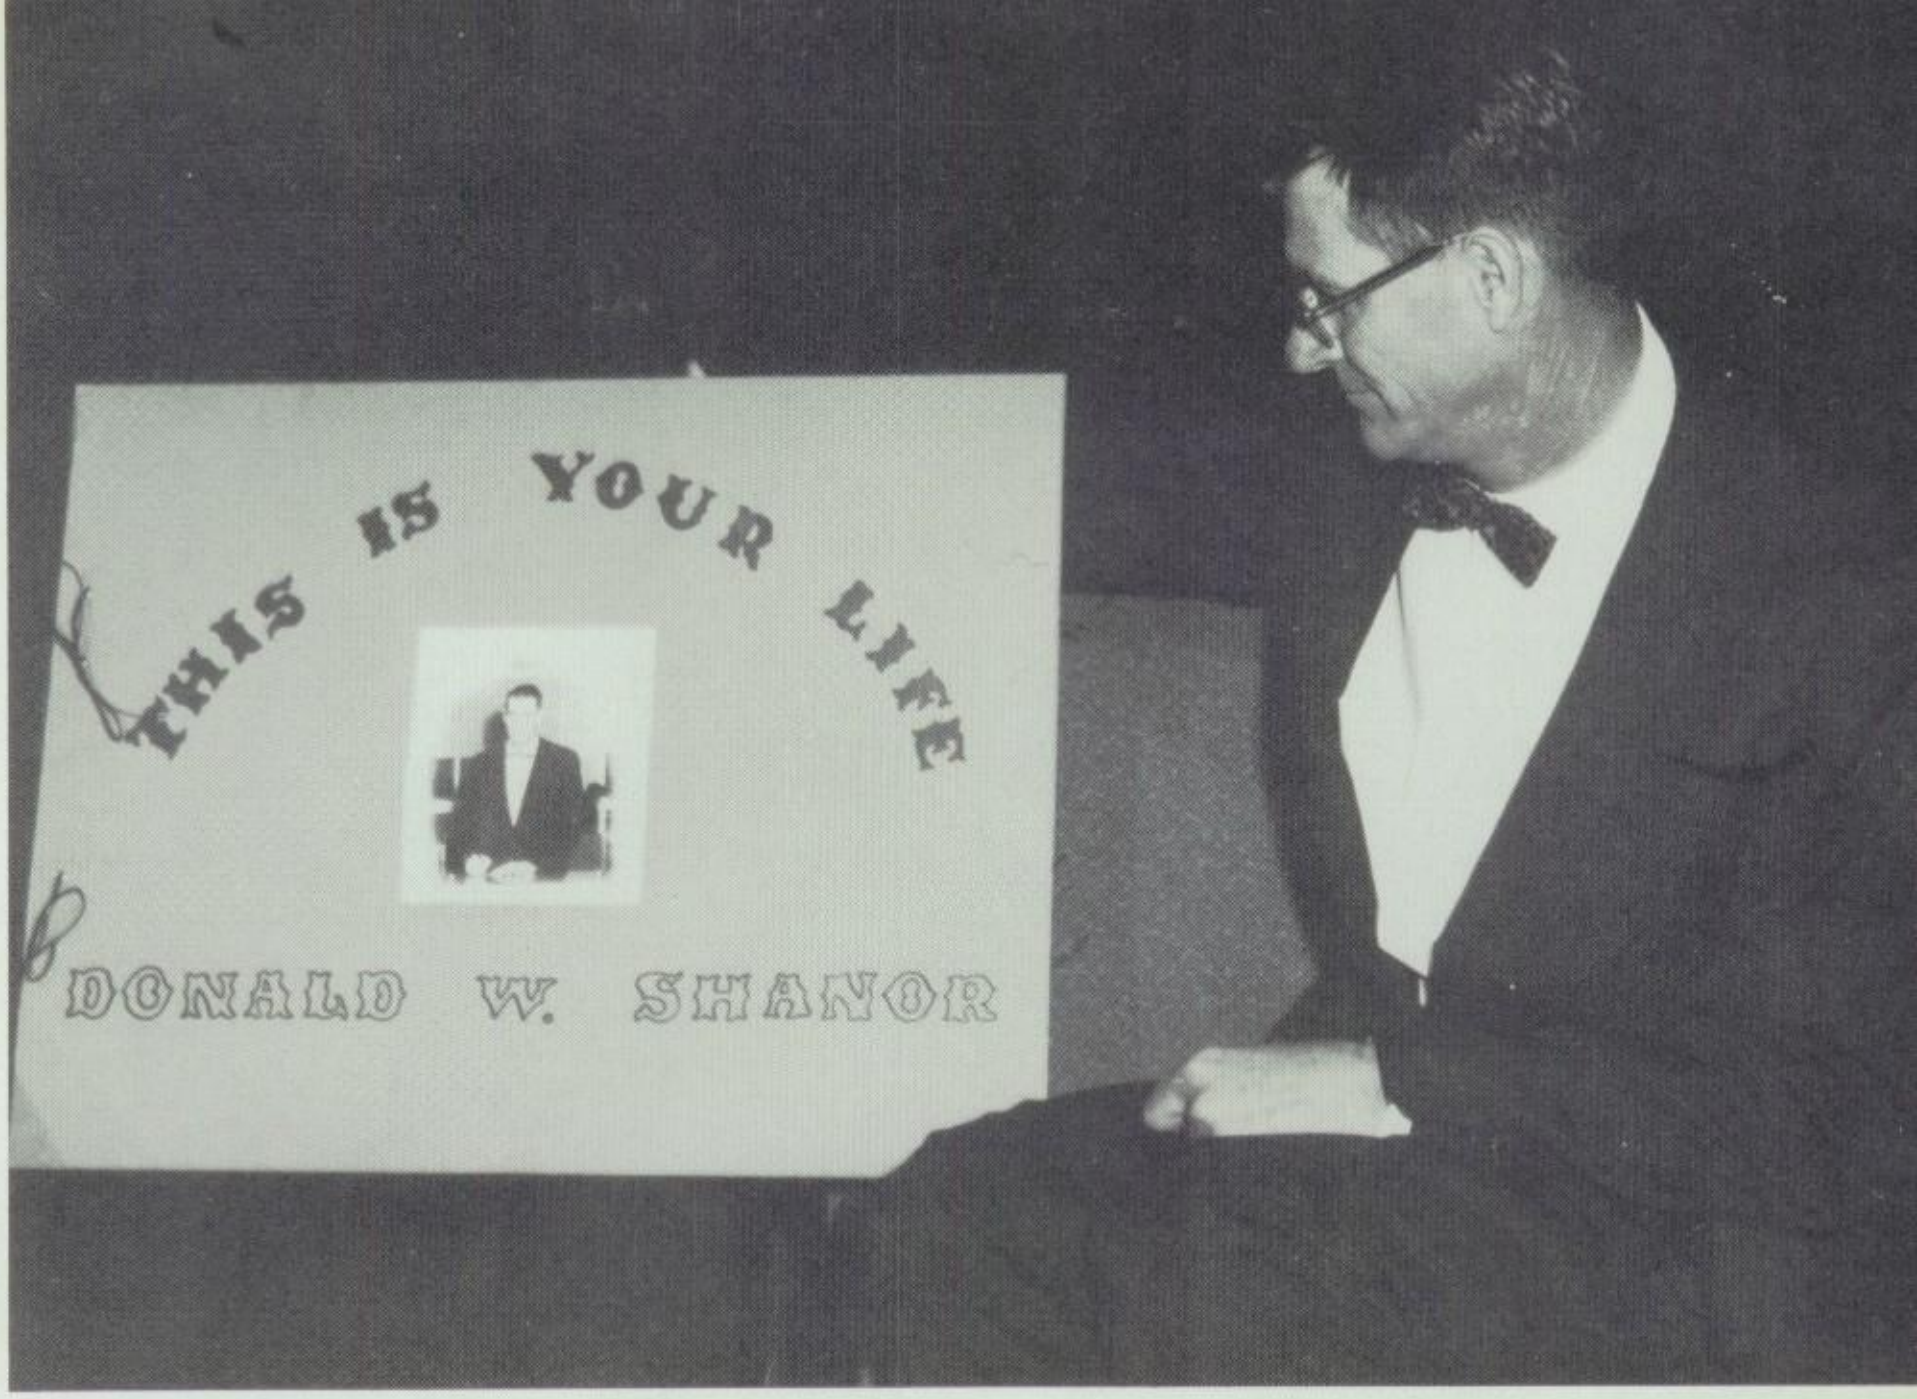
One of the several dances sponsored by the Student Council. Everyone had to wear red at the "Necking Party" and paid 2c per inch around the neck. How much does Ron Smith have to pay, Curt? Larry Hart, the emcee of the floor show, entertained the dancers with some Jonathon Winters' stories.

The Student Council is indebted to the members of the Student Body for their co-operation throughout the year.

Student Council plans the surprise . . . while 600 students wait in hushed silence for his entrance.

Mr. Donald W. Shanor, principal of Powell High School from 1954-1962, accepted a position with the WEA in Cheyenne. To commemorate his years of service, the Student Council organized a farewell assembly. With the co-operation of both Mrs. Shanor, Jr. and Mrs. Shanor, Sr., information was gathered concerning his life, and an interesting life sketch was portrayed. Because he had been a past president of the Powell Kiwanis Club, Mr. Vintz Christie spoke on the club members' behalf. Mr. Clyde Kurtz, who helped greatly in the setting of the surprise, addressed the honored guest and the assembly. The school board, Mr. Moewes, and Mr. Robertson also attended. Much to Mr. Shanor's surprise, his brother, Jack, and his parents came from out of town for this occasion. Mr. and Mrs. McIntosh, the parents of Mrs. Shanor, also came. Brenda Brunner concluded the program with "May the Good Lord Bless and Keep You."





"This Is Your Life, Mr. Shanor" was a huge success because of the co-operation of the Student Body and Mr. Kurtz. Rose corsages were pinned on both Maxine Shanor and Mrs. Shanor, Sr. At bottom left is a picture taken at the Polecat Printery with Mr. Baird, where Mr. Kurtz took Mr. Shanor to get him away from the school while preparations were being made for his assembly. Seen below is the entire Shanor family assembled on stage with Steve Blood, who emceed the program with a touch of the professional. Mr. Jack Shanor, walking off the stage, is concerned about the baby, Susie Shanor, who is crying for her mother.

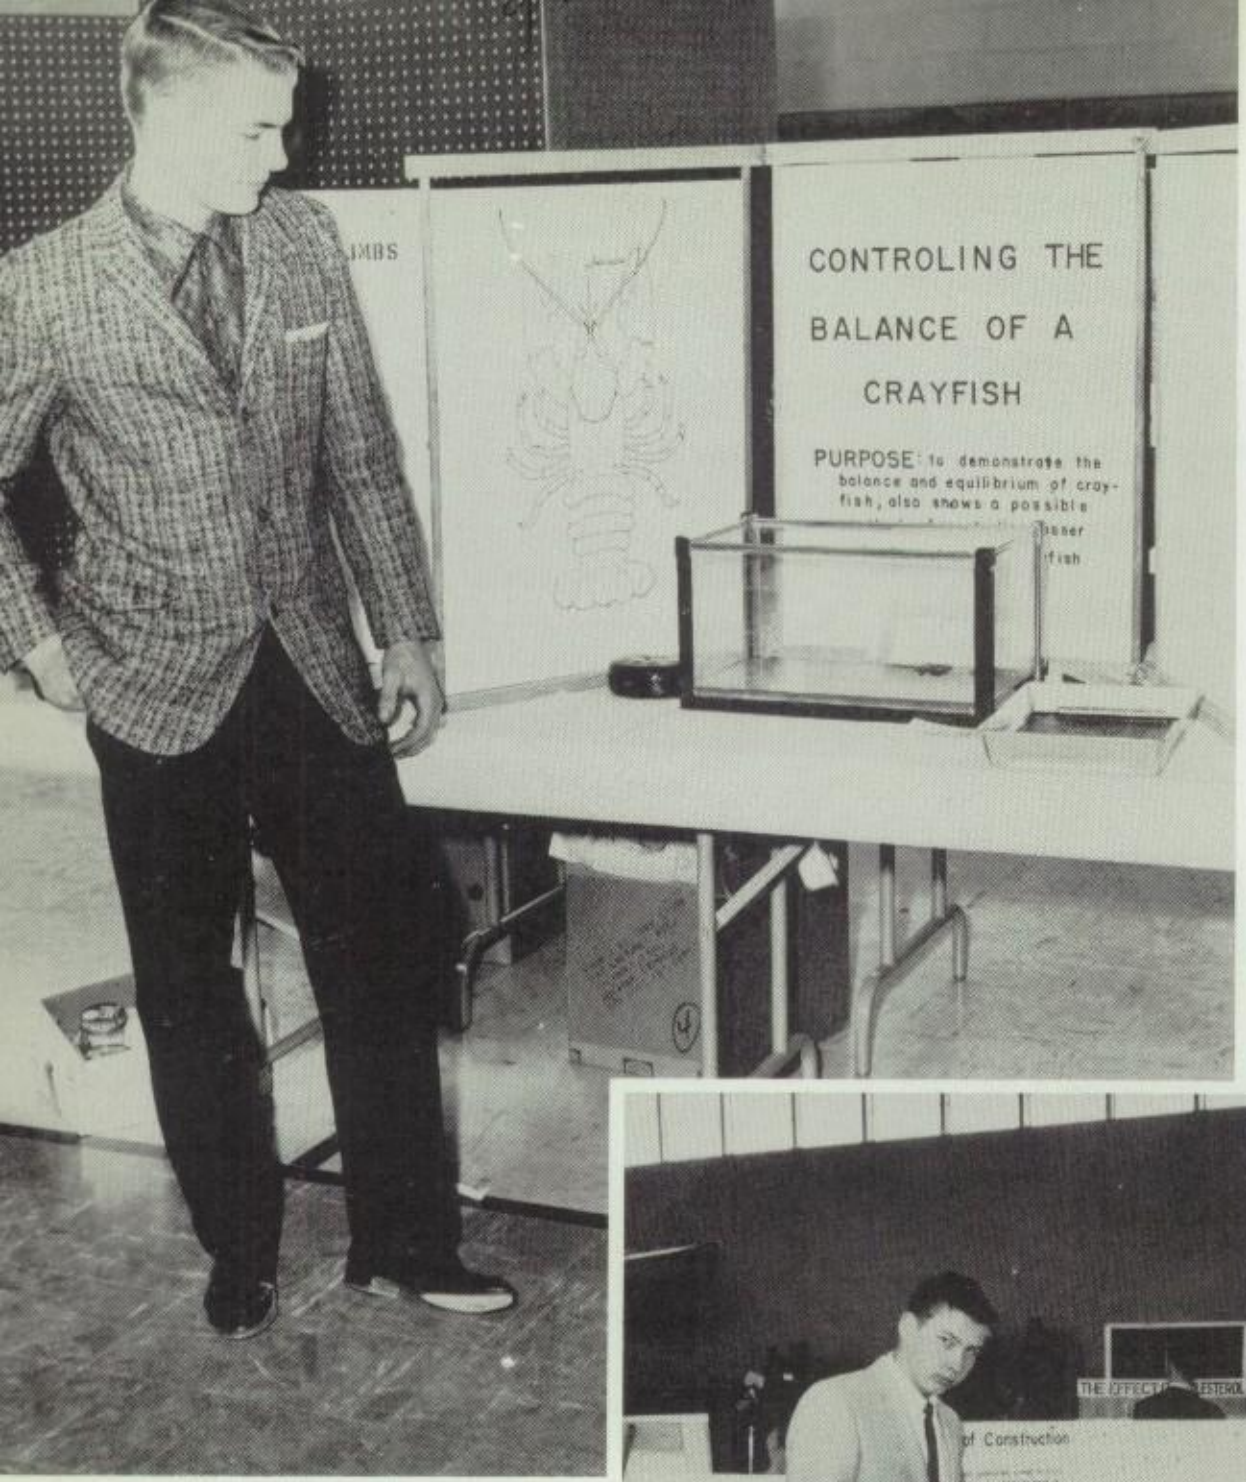
Fantasy of the Sea

"Fantasy of the Sea"

started at nine o'clock to the music of Seth Moore and his band. The color scheme of the decorations was gay and colorful green, and white and blue crepe paper streamers. The dancers submerged to the sea floor by walking through several layers of moss. Bobbing above the heads of the dancers were a variety of many colored balloons while giant sea creatures swam through the murky deep. The shape of a large blue and white shell encased the royal throne. A coral reef decorated with pink napkins against a tinfoil background served as the band shell. Blue, green and white lights gave a rippling sea effect.

The coronation began at 10:30. The climax of the coronation came with everyone participating in the Grand March.

Curt Ando, assisted by Jeanne Nicholls, crowned Judy Loveland and Carl Spomer, Queen and King of the 1962 Junior-Senior Prom. The royal attendants were Sandra Coy, Ron Ries, Sheila Waggoner and Jeff Stahn. Congratulations, Carl and Judy!



There aren't too many complicated-looking items here. Maybe Tom Frazier needs an electrolysis set to get in his way.

From upstairs in the chemistry lab to downstairs in the photo lab, students run back and forth to finish their science projects. The work that goes into one project occupies approximately one full week plus all the background study and research, without going to any classes or taking time out to eat.

With all those knobs and gadgets, are you sure that's going to work, Paul?

Everyone Likes Science Fairs

For all we know we may be eating algae for dinner tomorrow. That's according to Leroy Feusner's project anyway.

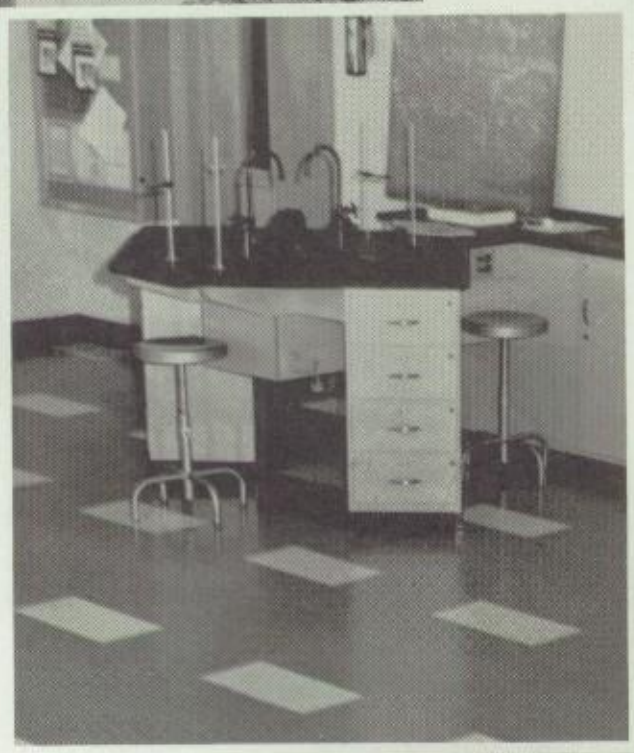
Jim Grammar shows the technique which earned him second at the state tournament in the discus event.

Class of '62

"If you're going to take my picture, the least you can do is use your own camera"—Mary Lou Scranton, photography student.



Larry Hart, writer of the senior assembly, stars in one of his programs, "Thriller," with the help of two others, Steve Blood and Danny Williams. The cameraman for Channel 1962 was Denny Braa.

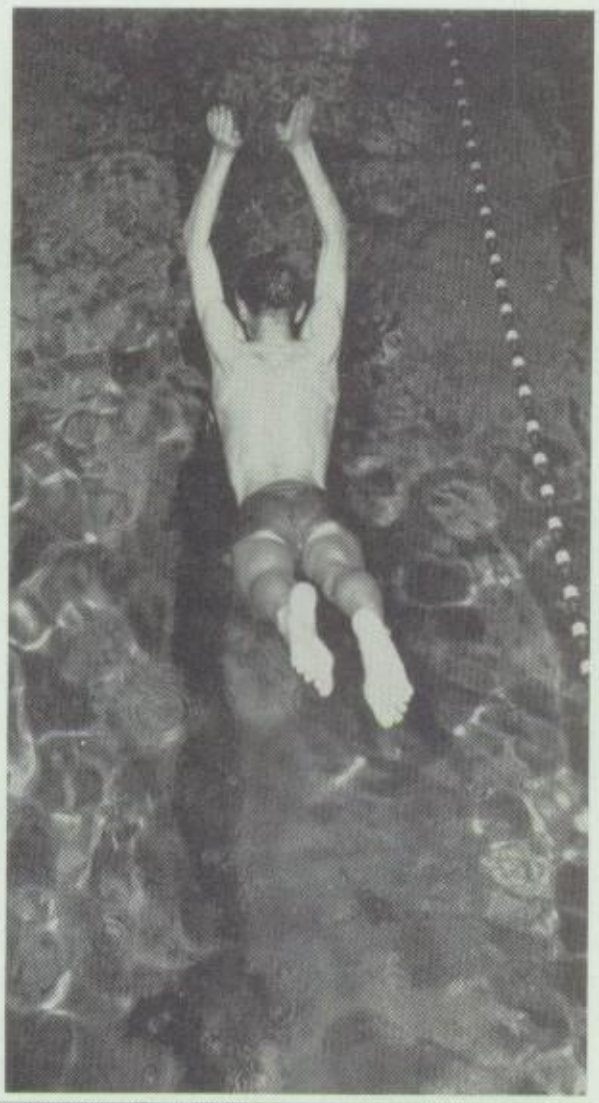
Final Year—A Busy One. Some of the seniors took so many trips that Mr. Khonke thought they were learning to drive the Panther bus. The ranks of activities this year were filled with participating seniors.

"Good heavens. Look what time it is, and I haven't got my cap and gown yet. $4.15 and we get to keep the tassel."

Breaks Tradition

with a big pre-graduation breakfast



Big Ed, Lee Catterall, burns the night light to meet deadlines.

Seconds before the splash-off—Wayne Fagerberg.

What do you see down there, Jim—two carburetors and a generator? With mechanics like him all the garages will go out of business.

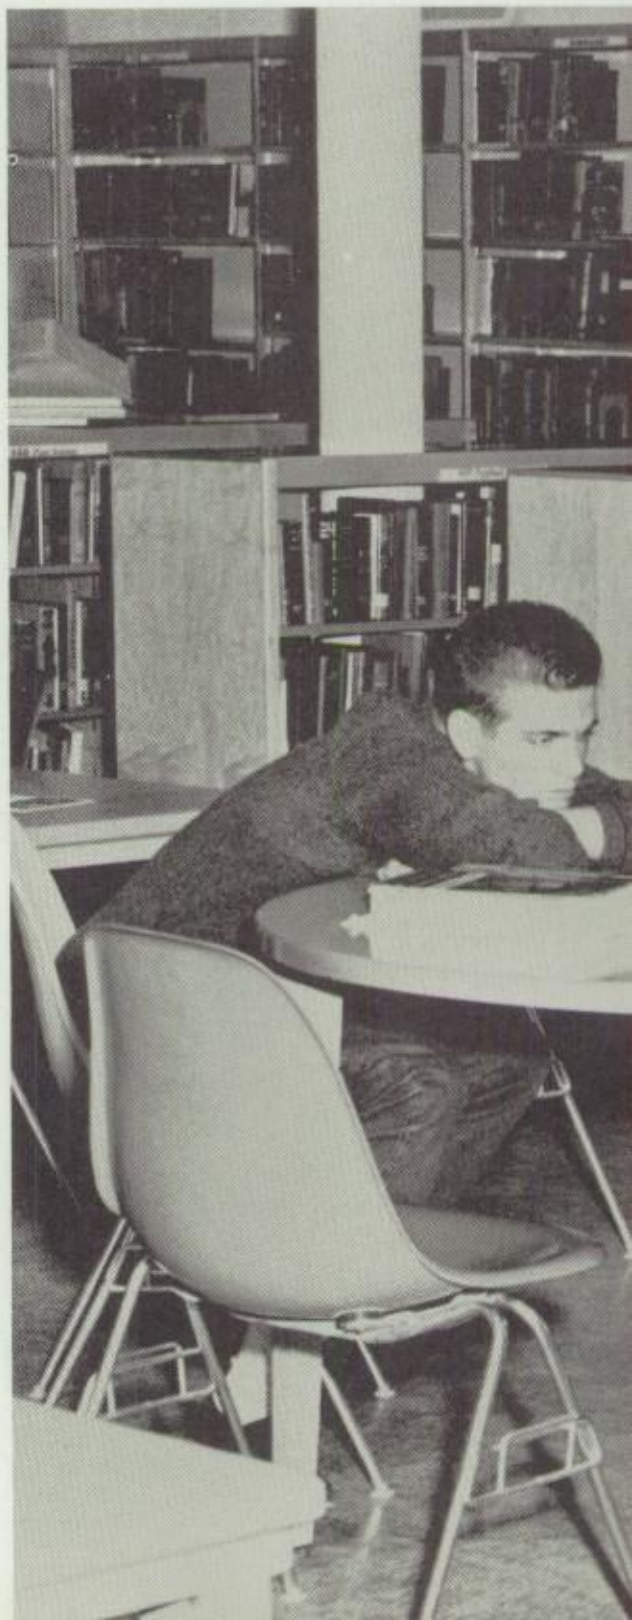
From Practice in Elementary School

The young orchestra members, Joe Myers, Sandra Coy, Steve Blood, and Sherry Jacobs practice diligently—bless their eager hearts.

Excelling in fine arts, Steve Blood starred as King Creon with Dale Brooks as the soldier in Antigone.



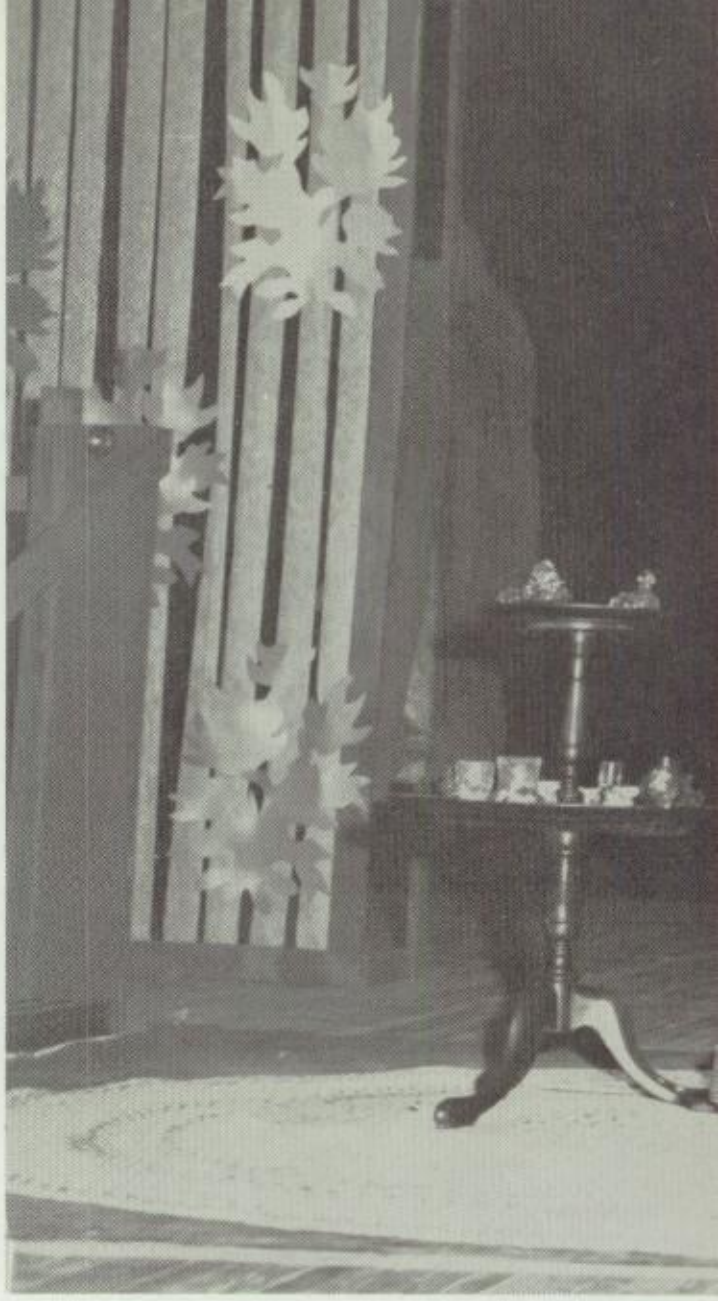
To Perfection

Johne Steele and Jim Baird dream and read of doing things—then do them.

Sandra Coy, prom attendant, "Carry on Nurse."

Who did you say was next in line to get his cap and gown, Mr. Dozah?

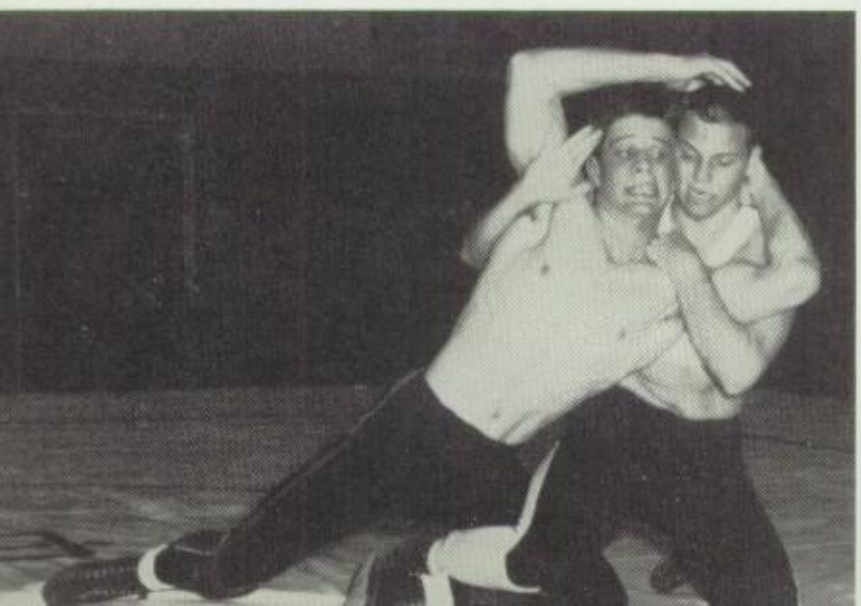
Larry Earhart was named one of the outstanding choir members. Danny Williams, Irma Brown, and Steve Blood were the outstanding art members. The language award was presented to Barbara Rowe, and the DAR Citizenship award was presented to Barbara Winscott. The three bronze keys which are awarded to the top seniors in the band went to Myron Smalley, Denny Braa, and Barbara Rowe. Denny was also given the Arion award, which is picked by the three directors of the music departments.



From the senior play: "He called me Blue Roses."—Eddy Grosulak and Linda Pendley.

Don Adams is a good worker all the time. Could it be because of the extra pair of shoes?

Maybe it's their own version of the Twist



Seniors Received Many Awards for Outstanding Service

Sparks will always fly when Pat Graham works.

Pat was given an award for being an outstanding member of FFA. It's rather unusual for a city boy to get the outstanding farmer's award.

Ken Syndergaard was given the award from the shop departments. He helped build the new cupboards in the A-V room.

The School Pays Tribute to a Beloved Teacher by Creating the Jim Milburn Service Award

This award commemorates his seventeen years of teaching in the Powell schools. Mr. Milburn served as junior high principal and later as a teacher of social science in the high school.

IN MEMORIAM

It is difficult for us to understand why Mr. Milburn had to be taken from us . . . this faculty member with the infectious smile; this person so dedicated to the welfare of his pupils and the school; this man, whose high principles and lofty ideals permeated the very halls of Powell High School. Maybe it is not for us to know why God often works in mysterious ways "His wonders to perform." Mr. Milburn will be missed by all of us.

—C. W. Kurtz.

JAMES W. MILBURN
